Stirling Fire Department Presents Budget For Year To Village Council

Tax Collector's Time Extended—Allan Lawes Asks That By-Law Be Changed

Stirling Village Council met in regular session on Monday night with Reeve D. W. Rodgers in the chair. He was supported by Councillors Robt. Anderson, Robt. Hullin, Bruce Glendinning and Maurice Faulkner.

Allan Lawes, John St., waited upon Council in regards the By-law covering dogs running at large. He stated that he did not feel the by-law was fair to everyone in the Village and asked that Council look at both sides of the story. He suggested that Council might see fit to change the By-law so that dogs might be let run loose in the winter months.

A lengthy discussion resulted on this matter and it was the decision of the majority of Council that no action be taken at this time and the by-law to remain in effect.

The following communications were received:

County of Hastings, Bell Telephone Lines; S. C. Jevons, County Court of Appeal; Department of Public Welfare, supplementary aid; Department of Tourism and Information, Ontario Centennial Planning; Canada Trust Huron & Erie, questionnaire; Town of Georgetown, charge back; The Stirling Public Utilities, co-operation; Department of Highways, traffic court; Lake Ontario Development Association, membership; Department of Public Welfare, nursing home care; Ontario Water Resources Commission, amount due for 1965; Department of Highways, new rates for trucks; Association of Municipal Police Governing Authorities, meeting; Mrs. Wm. Vardy, dog shelter; Stirling-Rawdon High School, February 15, meeting; Douglas Ackers, oil tender; Stirling-Rawdon High School, budget for 1965; Charles E. Hicks, monthly report.

The communication from S. C. Jevons, Assessment Commissioner, stated that appointments for Hastings County, would be made some time in April for a sitting in May; also that appeals should be made to the County before April 15th.

The Stirling Public Utilities Commission requested that each time a hydrant is used that they be notified so that the hydrant can be inspected and made ready for future use.

The communication from the Ontario Water Resources was in the form of a statement showing that Council would have to raise \$21,988.87 this year for debt retirement and interest for the village sewerage system.

Doug. Ackers submitted a price on fuel oil but due to the lateness of the heating season, Council decided not to take any action at this time but will probably call for oil tenders early next Fall.

On motion of Councillors R. Hullin and M. Faulkner, the February Police report submitted by Chief C. E. Hicks was received.

High School Budget Presented

The budget of the Stirling-Rawdon District High School Board was submitted for approval of Council. After considerable discussion, a motion of Councillors Anderson and Glendinning was passed that the Clerk be directed to write the Board asking why they have retained a surplus of \$46,000 which would appear to be in excess.

Fire Dept. Budget Presented

Fire Chief Graham Mouck and Captain Doug. Robson of the Stirling Volunteer Fire Department waited on Council relative to their annual budget. A detailed report was given on the condition of the Fire Department and a complete list of equipment now on hand was tabled. The estimated (Continued on Page Eight)

Mrs. Jane Munro 102 Years Old

Congratulations are extended Mrs. Jane Munro, Front St., who will observe the 102nd anniversary of her natal day, Monday, March 8th.

She is the eldest of a family of three sons and eight daughters, three of whom are still living in the Perth district, Mrs. Charles Dodds, Mrs. Alfred Crookery and Mrs. James Drysdale. She has three sons, Gilbert, of Stockton, Cal., Ernest and Lloyd, both of Stirling. Another son, Lawrence Munro, died this past January.

She has resided in Stirling for the past seventeen years and makes her home with her daughter-in-law, Mrs. Lawrence Munro.

Although her sight and hearing are somewhat impaired, she is erect of carriage and gets about the home in a manner that belies her years. She possesses a cheerful disposition and loves to recall many incidents of her girlhood days in the Perth area.

Citizens in general join in extending best wishes for a happy anniversary.

Stirling Horticultural Society To Sponsor Membership Drive

During the past sixty-seven years, the Stirling Horticultural Society has been responsible for much beautification of the Village. Lovely beds of petunias have been planted at the Public Library, the new highway bridge, in the three parks — Victoria, Coronation and Memorial and also at the local cemetery. Beautiful shrubs surround the new Chapel Vault and others were given to Stirling Public School. The Society arranged tables in Coronation Park for the convenience of tourists and townspeople and all of these efforts have been appreciated.

Mrs. Floyd Armstrong and her group of canvassers are busy with a Membership Drive when they have set a goal of 200 members, an increase of 60 over 1964. Each member who pays a dollar fee receives for their premium one box of plants, either floral or vegetable, from Caldwell's Green House.

DRIVING IN SELF-MADE MIST

Most people are secretly quite proud of their ability to handle a car. Surveys have shown that nearly all motorists believe they are "above average" — which is, of course, a mathematical absurdity.

Drivers are extremely sensitive to criticism. You can question another person's intelligence, or industriousness, or courage, or truthfulness, or manual ability without giving serious offence. You can chaff a friend about his honesty, or morals or ancestry — and still be friends. But just suggest to another man that he is a poor driver, and there's a war on. It's even worse than suggesting that he has no sense of humour.

In view of the universal desire to be considered a superior driver, it is surprising, says the Ontario Safety League, that so many people drive in such a way that it actually advertises their incompetence, indifference or ignorance.

Following too closely and incorrect road positioning (particularly when making left turns) are two of the most common methods drivers use to publicize their sub-standard driving, year 'round. Now, the special hazards of winter put the spotlight on other stupid or reckless driving faults — e.g. the failure to brush snow off the back window.

There is a dangerous winter driving habit that the Ontario Safety League believes is the result of ignorance and inexperience rather than indifference. It is the practice of driving, with passengers, in a car that has all the glass misted up inside.

Not only is this hazardous, but unnecessary. The standard automobile has very efficient heating, and it is only necessary to open one window half an inch or so to have clear glass and maximum comfort.

Driving with tightly shut windows allows mist to cut out rear and side vision, and also increases the risks of carbon monoxide poisoning. And parking the car in winter with all windows shut usually results in the glass frosting up inside. Experienced cold-weather drivers always keep one window open a crack, whatever the temperature.

A SERVICE CLUB

It is customary in many towns to have a branch of Rotary, Kiwanis, Lions etc., and these are looked upon as the only service clubs. This was brought to our attention the other day when the paper in a nearby town stated that Kiwanis was the only service club there. What about the Fire Brigade? This is one service club which holds itself ready at all times to render service — a service which is invaluable to every citizen.

WELL ADVISED

"What would you do if you didn't succeed at first?" the discouraged young suitor asked his older sister.

"I'd try a little ardor," was the advice.

THE LESSER EVIL?

"There seems to be quite a bad storm coming up," said the hostess. "You had better stay for dinner."

"Thank you," said the guest, "but I don't think it will be that bad."

"Genius," the inventor Thomas Alva Edison once said, "is one per cent inspiration and ninety-nine per cent perspiration."

There are two ways of meeting difficulties: you alter the difficulties, or you alter yourself to meet them," wrote the English novelist Phyllis Bottome.

1432 Telephones In Service In Stirling Area

During 1964, The Belleville Telephone Company of Canada added 222,475 telephones to those in service, a total exceeded only in two other years (1955-56) of its history, according to the company's annual report issued this week.

This expansion was reflected in Stirling, where 64 telephones were added. D. C. Curry, Bell manager for the region, revealed that 1432 telephones were in service here as of December 31st.

Net income of Bell for the year ended December 31, 1964, was \$77.7 million, equivalent to a return of 6.3 per cent on Total capital, or \$2.71 per share. This compares with a rate of return of 6.1 per cent and earnings per share of \$2.58 in 1963.

After payment of \$2.20 per share in dividends to the company's 207,000 shareholders, the balance of 51 cents per share was added to earnings retained and invested in the business; according to the report. Of Bell's shareholders, 97.4 per cent live in Canada and own 93.6 per cent of the stock.

Contracts negotiated late in 1963 with three unions representing 28,700 employees increased payroll expense by about three per cent on an annual basis. As of December 31, Bell employed 35,890 men and women. The company's payroll in 1964 totalled \$187,081,096.

Construction of facilities to extend and improve services amounted to \$233.5 million in 1964. Altogether, 52 new buildings were completed during the year, and extensions built on 23 others. Thirty-one new exchanges were put into service, many of them in remote, northern communities which had been without telephone service. Thirty-nine other exchanges were converted from manual to dial.

operation. At year end, 99.1 per cent of the telephones served by Bell in Ontario, Quebec, Labrador and the Northwest Territories were dial operated.

With regard to the announcement by the Board of Transport Commissioners for Canada on September 22, 1964, that it would hold public hearings in 1965 to review the permissive level of earnings of Bell, and the basis on which level of earnings should be established, the report says: "The Board stated that in these hearings it does not intend to inquire into existing rates. As indicated in our submission to the Board in November, the company firmly believes it should be permitted to continue to improve earnings through prudent management and efficient operation under the present rate structure."

Letter To The Editor

Dear Sir:
Our fund-raising campaign last November broke all records. We are deeply grateful to you for the active part you and your colleagues played in putting us over the top.

The Muscular Dystrophy Association of Canada's research scientists depend on the public for their laboratory equipment and materials. The victims of muscular dystrophy depend on the public for wheelchairs and other aids. You are our link with that public, and it is in large measure thanks to your efforts that we will be able to continue our extensive programs to assist patients, and to seek the cause of MD and a cure for it.

Sincerely yours,
David Green, M.D.
President.

The Music Festival

On grounds of sheer magnitude, the music festival movement is one of the most significant aspects of Canada's musical life. There are well over one hundred and fifty such festivals held in Canada each year. At a reasonable guess, combining contestants, audiences, committee members and patrons, nearly two thirds of a million Canadians take active part in music festivals to some degree. Barring radio, records and television, more people are physically present at such festivals than at all other musical performances combined. This in itself, is a worthy tribute to their place in a community.

RED CROSS
IS ALWAYS THERE
WITH YOUR HELP

There have been, and always will be, many critics who voice strong arguments against the music festival: (a) The danger of competitive spirit; (b) the adjudication of a contestant which leaves so much doubt as to the musicianship; (c) the so-called rivalry between music instructors and their students; (d) the adulation of parents to a child for an "off-the-cuff" high marking.

But when one considers that the mode of present day home and community life provides few outlets for student musicians to exercise their ability, surely the music festival fills a much needed role. Participation in any musical event — the opportunity for public performance — has far greater value and richer influence, than being "just a listener" to a dozen symphony concerts, live or recorded. Far be it, however, that a serious student should sacrifice his overall musical training and progress in order to "do well at the festival". The Stirling Festival of Sacred Praise is commended to you.

River Valley Buttons And Bows

The third meeting of the River Valley Buttons and Bows was held at River Valley School on Saturday, February 27th, at 1.30 p.m., with all members and two leaders present.

The President, Jane Bush, opened the meeting with the 4-H Pledge. The roll call was answered by showing two pictures of clothing that would suit the individual girl.

A discussion took place on what clothes to wear for different occasions; also what jewellery and accessories to add to suit the occasion.

They found that a girl does not have to own a lot of clothes to be well-dressed. They learned a basic dress to a good dress for every girl's wardrobe.

The girls were also given expert advice on how to be well-groomed all the time.

Group work consisted of wardrobe planning. Every girl is to take stock of her wardrobe. Tips for good clothes values were also given.

The home assignment for this week is to fill out wardrobe inventory and to plan the colour and general style to make; also to begin work on a costume chart and to work on record books.

The business included the president's letter, letter re the Officers' Conference for Historical Research convenors; distribution of booklets, "Art of Making Sandwiches" from the Dept. of Agriculture, and the "Home and Country".

Mrs. D. Little convened the following programme, based on Health. Mrs. Carson gave a reading, "The Germ". Mrs. Little read several articles from Canadian Consumers booklets, which included "Margarine".

The product, margarine, dates back as far as 1869 when Napoleon offered a prize for a substitute for butter which was in short supply. Today, it made from almost any edible oils, such as, oils from corn, fish, whale, soybeans, peanuts, coconuts, etc.

After a process of agitation, hydrogenation, addition of hydrogen, chemicals, colouring and preservatives, you have what is known as margarine.

C.A.C. took several name brands, along with butter and made a comparison. Most brands of margarine compared equally to butter when vitamins A and D are added.

The question of switching from animal to polyunsaturated vegetable fats (so as to lower the level of a substance called cholesterol in the blood) according to some researchers, helps prevent heart diseases while other researchers are equally sure that other factors cause more heart damage. If you are a healthy person, you may do more harm than good in changing your diet.

The cooking, tasting and other test results made by the Consumers were also given.

Mrs. W. Dixon favoured with a solo, "Juanita". Mrs. Emory DeMille gave the history of "Oatmeal", going back over one hundred and fifty years when oatmeal was sold in apothecary jars. In about 1850, it was sold in barrels and sacks; later in 1877, rolled oats was put into sanitary, sealed cartons.

To those who have never used rolled oats, they are in for a treat. Being an expensive breakfast food you find it in bread, cookies, casseroles, candies, etc. Why not try some today?

Several short readings and current events followed by singing of the Queen and Institute Grace closed a very informative evening.

Lunch was served by the hostess and her assistants.

St. Paul's U.C.W. Units 1 2 and 3

Units 1, 2 and 3 met at the Church at 7 p.m., February 9th, at 7 p.m. for a most enjoyable Pot Luck Supper, the hostesses being Mrs. H. Vandervoort, Mrs. W. Arbuckle, and Mrs. R. Short.

Following the supper, the meeting was called to order by Mrs. Don Williams, leader of Unit 1, with prayers and a poem, "The World Has Need of You".

The worship period was led by Unit 3. Mrs. Lloyd Jones opened with prayer, and Hymn 637, "The Lord Is My Shepherd", was sung. Scripture readings by Mrs. Grant Stapley were from 1 Kings, chapter 10, verses 1 to 18, and 2 Corinthians, chapter 12, verses 7 to 10. The Meditation was on the subject of "depression". The story of Elijah demonstrates that although life may seem very dark, our struggles to rise above misfortunes are of very little avail without the help of God. There is much we can do to avoid depression — keep in good health, for example, but if we forget to listen for the "still, small voice" of God, we cannot find the inner serenity which renews our strength to face life.

The offering was gathered and dedicated, and Hymn 287, "Rock of

Ages", was sung. The worship, closed with prayer.

A short business session followed, and the programme was presented by Mrs. R. A. Patterson, of Unit 1. This was a study based on Chapter 9 of "God and His Purpose" — The Purpose of God in Christ. Our basic belief is that Christ came to the world so that we shall be saved. God has revealed Himself to us through Jesus more than in any other way, and His life, and death on the Cross, lead up to the triumph of the Resurrection, giving hope to all mankind. As Christian people, this should be reflected in our own lives.

Discussion groups were given searching questions, and passages for study and the conclusions were shared among all groups.

Mrs. E. Bateman thanked the hostesses, Mrs. Williams, and those responsible for the Worship and programme, on behalf of all present.

United Church Hi-C Group

The United Church Hi-C Group met in the downstairs portion of the Church. After the business was conducted, they proceeded to the Sanctuary where Rev. B. Small gave a talk on the basis of our religion.

Mrs. Smith: "My son is at medical school doing research on obstetrics." Mrs. Jones: "Goodness me. Haven't they found a cure for that yet?"

Pine Grove Women's Institute History

The following is the history of the Pine Grove Women's Institute as presented by Mrs. Harry Coulter at the 25th anniversary of that Institute:

Madam Chairman, Pine Grove Women's Institute members and guests: On this, the 25th anniversary of the Pine Grove (Hastings West) Women's Institute branch I have the honour of reviewing with you the history of those years.

The organization meeting of the Pine Grove Branch of the Federated Women's Institute of Ontario was held at the home of Mrs. Fred Campbell, on February 1, 1940. Mrs. Casey Ketcheson, District President was the presiding officer, and conducted the election of officers. There were fourteen ladies present and twelve paid membership fees.

Some confusion has arisen, due to conflicting information, as to what are the requirements to be considered a charter member of a branch. A resolution stating the policy of the Board on the matter was passed at the Annual Meeting (in November, 1964) which is as follows:

Whereas it appears that some branches have found difficulty in establishing the qualifications for admission of charter members; and whereas this has caused occasion for misunderstanding; Therefore it shall be forth that those persons whose membership fees were paid at the inaugural meeting of the Branch shall be known as Charter Members:

And be it further set forth that in those Branches where a separate record of these persons' names was kept, all those who paid membership fees in the period prior to the end of the first fiscal year's activity shall be known as First-Year Members.

Therefore our Charter members were: Mrs. R. Vandewater, Mrs. W. Rodgers, Mrs. Fred Campbell, Mrs. A. Hamblin, Mrs. C. Marisette, Miss M. Frederick, Mrs. J. H. Frederick, Mrs. P. G. Meale, Mrs. M. Dafee, Mrs. F. Finkle, Mrs. F. Heasman, Mrs. D. Hollinger.

Of these twelve, two, Mrs. Frank Finkle, and Mrs. F. Campbell, are

A Thrilling Story

David Collado, of New York City, will tell the thrilling story of how God transformed his life, this Sunday night in the Pentecostal Church at 7.30 p.m.

At the age of 14, he joined the notorious "Dragon Gang" and was introduced to drugs and many other acts of violence. At this early age, he became a drug addict and remained one for 15 years. Eleven months ago, he was brought face to face with Jesus Christ and He did for him in one moment of time, what hospitals and prisons could not do. Today, he is a new creature in Christ Jesus. Be sure to hear this story.

still members of our Branch.

Under the leadership of the first President, Mrs. F. Heasman, these twelve ladies set to work at once to word the making of a better community and nation, and the twelve were soon joined by many others.

During the war years, much work was done through the Belleville Red Cross — sewing, knitting, the making of quilts, making of jam for Britain, packing boxes for boys overseas, books for members of the forces, clothing and supplies for War victims, donations to a fund for supplying seeds for Britain, and donations to a mobile kitchen.

Busy as they were, our own community was not forgotten. Help was given to the Children's Aid Society, the Sick Children's Hospital, the Y.M.C.A., picnics held for the school children, garden parties on the Tanner lawn.

Some of you may remember Mr. Charles Vandewater, Col. Vandewater's father, giving a talk on the early days of Chatterton, followed by a poem written by Mrs. Meale, our first Secretary-Treasurer, entitled "Chatterton".

F.O. Ralph Campbell also spoke at a meeting on "Health Insurance" as carried out in England.

Following the war, the W.I. turned its attention to the need for a school annex or kitchen. Much of the labour on this was done by the men of the community under the supervision of Mr. J. Marshall. Then folding chairs were bought, and Mr. Blake Johnston made the tables which we are still using. Additional equipment was added over the years. Pot luck suppers, card parties, and some meetings were now held in the school.

By working in the lunch room at the Belleville Livestock Sales Barn, we were able to give \$143 toward the Trenton Hospital, and a few years later, \$100 to the Belleville Hospital Building Fund. Substantial donations were also given toward new pews for the church, and later toward the building of the Sunday Church School Hall which we are using tonight.

Help was given to those whose property was destroyed by fire both in our own and adjacent communities.

Every year since 1952 we have conducted a canvass for the Canadian National Institute for the Blind. The

results of these have increased from \$19.95 in 1952 to \$55.95 in 1961.

In the last few years, we have confined our activities, except for local needs, to supporting our own F.W.I.O. projects, such as the International Scholarship Fund whose objective is \$50,000 to support education in Canada of foreign students from underdeveloped countries when then return to their own country and help to improve the living standards of their own people.

Along with the Bay of Quinte Branch and Chatterton we care for an adopted child in Macao.

Toward the education of our own women, we have had many persons from local industries address our meetings as well as tours of these, and to other points of interest.

We have had courses in Food Shopping, Procedures, Crafts, etc., and exchanges of letters with pen pals in other countries.

Our presidents in the order of their terms of office have been: Mrs. Fred Heasman, Mrs. Jack Frederick, Mrs. Alex Tanner, Mrs. Harry Coulter, Mrs. Frank Finkle, Mrs. Fred Campbell, Mrs. Blake Johnston, Mrs. Harold Dettler, Mrs. Grace Bartindale, Mrs. Allyn Finkle, Mrs. William Slater, Mrs. Charles Ross, Mrs. Alex Tanner (a second term) and Mrs. Farley Lindenfield.

In conclusion, may I quote from our Hand Book: Today, more than ever, women are concerning themselves in larger measure with the same problems as those set up in the objectives of the Federated Women's Institutes of Ontario in the past.

(a) To help women acquire sound, approved practices for greater home efficiency.

(b) To help discover, stimulate and develop leaders.

(c) To help develop better, happier and more useful citizens.

The problems of human beings and their relationships have come close to each individual in a rapidly changing world, where distance is diminishing through transportation and problems of one nation have a bearing upon many others. There are greater social and economic problems confronting women across the country with the ensuing difficulties of harmonizing home and community life.

It is the chief object of the Women's Institutes to give to the members assistance in meeting and dealing with these everyday problems. With the opportunities made available through its programme, much can be accomplished toward this end.

It's Time For Some Plain Talk About Your Present Automobile

Your car is the most valuable thing you own, unless you have paid for your home. That means your car is valuable enough to take care of properly. Here's what happens if you don't:

If your motor performs at less than peak efficiency, you lose money on gas mileage. That costs real money — more money than it costs to keep your car in good running condition. If you let your car go too long without repairs, you endanger the life of your money.

When you trade it in on a new car, your car dealer has to fix it up before he sells it. That costs you money too, far more than you may think. It also robs you of the safety you should have had while you owned the car, and repairs done early prevent bigger repair bills later. It's like the stitch in time that saves nine.

You save money a number of ways by taking care of your car. For instance, you get a better price for your car when you trade it. Big car owners know this; and big car owners protect their investment. So do Fleet Owners — and most people who own a car for business purposes.

If you, as a private car owner, want to get your money's worth out of your car, here's a suggestion:

Come and see our service department and ask them about our Guardian Maintenance service plan. Bring your car into our service department for regular service checks. Our mechanics and service manager are factory-trained in Oshawa and we spend hundreds of dollars each year in buying up-to-date tools and equipment to service your car properly.

REMEMBER — QUALITY SERVICE COSTS YOU LESS!

World Day of Prayer Services Pentecostal Church

The World Day of Prayer Service will be held in Good Tidings Tabernacle Pentecostal Church, Stirling, on Friday, March 5th, at 3:00 p.m. All the women of Stirling and surrounding communities are invited.

The order of service to be followed was written by Mrs. Jesse Jai McNeil, a gifted and distinguished American Negro woman. Her husband, The Rev. Dr. Jesse Jai McNeil, is the minister of the Metropolitan Baptist Church in Pasadena, California. He is the author of a number of devotional books, and a well-known conference speaker.

Dr. and Mrs. McNeil are the parents of four teenage children who are all musically gifted and exceptionally successful in their academic studies.

Mrs. McNeil's education has encompassed a wide field. She has an A.B. degree from Howard University, Washington, D.C., and an M.A. from Fisk University, Nashville, Tenn. She took special post graduate studies in Social Psychiatry at Duke University, Durham, N.C., and served as Instructor of Nursing, Nashville, Tenn.

In recognition of her exceptional service in various fields of endeavour Mrs. McNeil has been awarded many honours and distinctions. In 1961, while living in Detroit, she was named "Layman of the Year" by the Detroit Council of Churches. She is the first Negro to receive this citation and the second woman to be so honoured. In the same year, the House of Representatives of the State of Michigan named her "Michigan Citizen of Superior Talents and Effective Efforts in Behalf of Humanity". She is listed in "Who's Who of American Women".

In July, 1963, Mrs. McNeil was one of 300 women invited by President Kennedy to a conference, the outcome of which was the formation of the Women's Committee on Civil Rights.

Mrs. McNeil is a member of the General Board of the National Council of Churches of Christ in the U.S.A.

The choice of Mrs. McNeil as the author of this year's World Day of Prayer service was an inspired one. Her selection of the theme "What Doth the Lord Require of Thee" is most timely in view of the international and interracial tension in the world today.

St. Paul's United Church AOTS Men's Club Entertains Ladies

Magistrate R. C. Groom, of Tillsonburg, Was the Guest Speaker on Wed. Night

Magistrate R. C. Groom, Q.C., a Juvenile Family Court Judge, of Oxford County, an active member of Tillsonburg United Church and interested in boys' work gave a challenging address to the members of St. Paul's United Church AOTS Men's Club on Wednesday evening, March 3rd. It was the annual Ladies' Night and was the occasion for a bountiful banquet, served in the Sunday School auditorium by the ladies of Carmel U.C.W., under the direction of Mrs. Clayton Stapley. Allan Wells was in charge of the fines box.

The banquet was preceded by a Toast to the Queen and Grace by the Rev. Bruce Small. President Maryvyn Scott acted as chairman and welcomed the nearly two hundred members and guests.

Good Programme
Grant Potter, who had arranged the programme, introduced the numbers. Danny Jones and Tony Syboda entertained with clarinet duets, "Whispering Hope" and "In the Gloaming". Paul Jones, trumpet soloist, rendered "Londonderry Aire" and "Rose of Tralee". Mrs. Harold West was accompanist for the musical numbers. Humorous recitations were given by Lyle Couch, "The Soldier" and "My Wife".

John L. Good conducted the devotional service, based on a passage of Scripture read from Acts 27: 33-44. Wendell Camm, immediate Past President, proposed a toast to the ladies, to which Mrs. Harry Vandervoort gave a suitable reply.

Guest Speaker
Claire West introduced the guest speaker of the evening, Magistrate R. C. Groom, Q.C., of Tillsonburg. Mr. Groom spoke on "Aspects of Communication", and gave a thought-provoking address on this subject. He interspersed his message with several humorous incidents. He asked the questions, "What does the Church mean to you?" and "Who is the Church?". The speaker went on to point out that we are not relating ourselves to the problems of the world. He said that the Church should provide leadership and inspiration. We should learn to do things for other people without thinking of what advantage it would mean to us. There is a tremendous area in which we can do a lot of good in this modern-day age by merely being concerned about other people's problems and lending a helping hand.

Mr. Groom noted that many times in his court a boy gets into difficulties when a barrier develops between father and son and the boy has no one to tell his problems to. We are so busy being concerned with ourselves that we do not realize other people's difficulties. He closed his outstanding address with the challenge, "What are we doing with what we have now?"

Jack Bush thanked the speaker for the inspiration his address had given. Elwood Bateman expressed appreciation to the ladies of Carmel U.C.W. for their part in making the banquet a success. Mrs. Clayton Stapley replied for the ladies.

The banquet and programme were brought to a close by Benediction, given by the Rev. J. Bruce Small.

Elaines Even Series With Marmora

After spotting Marmora two first period goals, Stirling roared back with 4 unanswered tallies in a wide open second period. Stirling added two more in the final stanza with a single reply from the visitors.

Norm Barrons opened the scoring for Marmora early in the opening stanza, scoring unassisted. Meeks made it 2-0 at 7:15 with Rutherford assisting.

Ralph Fry scored his first of three second period goals at 3:35 unassisted and added another at 9:07 with Bartsch helping. Wayne Kerr took a pass from Wright to put Stirling ahead at 12:34. Then Fry completed his hat-trick two minutes later with McConnell setting up the play.

Roger Smith stole a misguided pass at centre ice and raced in on Marmora goalie, Al Killians, and tipped the disc under the falling net-minder early in the final period.

Doug Smith got one back, scoring from a scramble after J. Barrons was robbed by Stirling goalie, Gerry Genereaux. Then Stirling ran into difficulty when Glenn Hagerman got the thumb for hooking mid-way through the period. P. J. Collins followed seconds later for tripping and Hagerman had no sooner returned when R. Smith got the gate for cross-checking. During this time, Genereaux came up with some dazzling saves that brought the crowd to their feet. He robbed Jones and Meeks at close range before Collins and Smith returned. Smith put the game beyond reach at 19:25 when he beat Killians on a break-away after Wright had put him in the clear.

Besides Genereaux and Fry, Bartsch and Smith played strong offensive game while veteran Bobby Hunter played heads-up on defense. Jones and Rutherford played strong games in a losing cause.

Wellman's U.C.W.

Wellman's United Church Women met at the home of Mrs. Keith Clancy on Tuesday, March 2nd with 24 members and 5 children present.

Mrs. Dracup the president, opened the meeting with a call to worship and hymn 358, "Jesus Calls Us", followed by the prayer hymn 364 repeated in unison.

Mrs. Fletcher led in the Worship Service which had been prepared by Mrs. Alfred Akins, based on hope, opening with hymn 616, "Holy Spirit Hear Us".

Mrs. Byron Seeley read the Scripture taken from Romans, chapter 8, verses 17-30. Mrs. Fletcher read an article written by Padre W. A. Young, "We Are Saved by Hope". In times of despair, it is good therapy to read the 8th Chapter of Romans. Paul's hopefulness is not based on vague optimism or wishful thinking. It is based on his religion and his faith in God that in everything God works for good with those who love him.

The worship service closed with hymn 496, "Tell Me the Old, Old Story", and prayer by Mrs. Fletcher. The roll call was answered with a verse containing "hope".

Mrs. Seeley read "The Tale of a Bale", telling how the bales are prepared for shipping and the great need for good used clothing.

Mrs. John Carlisle lead in the Bible Study, chapter 10, in the word and the way on stonement. Three groups were formed and given passages of Scripture and questions dealing with

them. These questions were further discussed with the group assembled together. Atonement means at-one-ment, making at one. It was to make men one with God that Christ came to us, suffered for us and works in us. In this we see God's Act.

Mrs. Kenneth Tompkins gave a reading on "love" and after thanking the hostess and everyone taking part in the programme, Mrs. Dracup closed the meeting by all repeating The Lord's Prayer.

Ranger News

On Wednesday evening, February 17th, the Rangers gathered at the home of Judy Patterson. After a project discussion, a social hour was enjoyed and a lunch was served by the hostess.

The next meeting was held at the home of Bonnie Bateman. As a guest, Donna Tucker, attended the meeting to tell the girls about her trip to California during the Christmas holidays. Donna displayed numerous pictures and photographs. A lunch was served and the Rangers dismissed.

Gordon -- Thain Wedding

Miss Nancy Margaret Thain, daughter of Mr. and Mrs. Grant Thain, 415 Shamrock Crescent, Fort William, became the bride of Charles William Gordon, son of Mr. and Mrs. John King Gordon, 9202, 117th St., Edmonton, Alta., on January 30th.

The Rev. Dr. A. H. Johnston officiated at the ceremony in St. Andrew's Presbyterian Church, Fort William. Miss Henrietta MacKay was organist.

Given in marriage by her father, the bride wore a full-length pea de soie gown, fashioned in sheath-style, with Empire influences. Chantilly lace and pearls adorned the band on the bodice and the cuffs of the three-quarter length sleeves. A narrow

train fell from the waistline in two panted panels. She wore short white kid gloves and a pea de soie and pearl bow headpiece, holding a short veil. White carnations, pink sweet heart roses and pink hyacinth made up her cascade bouquet.

The maid of honour, Miss Mary Thain, the bride's sister, and the bridesmaid, Miss Alison Gordon, sister of the bridegroom, wore identical open blue pea de soie gowns with square necklines, cap sleeves, fitted bodices and controlled skirts, enhanced by beaded waistbands and small bows at the backs. They wore white kid gloves, matching shoes and bow headpieces and carried cascade bouquets of white carnations and hyacinth.

The best man was William Hewitt. Dr. Tim Murray, Larry Sutton and Richard Carver ushered.

For a reception at the Fort William Country Club, the bride's mother chose a Mr. Gilbert original street-length gown of champagne Swiss lace, designed with a tunic over a sandstone crepe sheath. She wore matching shoes and bag and a champagne feather hat.

The bridegroom's mother wore a light beige, gold and aqua brocade jacket dress and a small veiled beige hat. Both mothers wore corsages of tallman roses.

For travelling on a honeymoon to Brandon, the bride wore a three-piece pineapple wool suit with beading trim on the jacket. She wore beige accessories and a talisman rose cor-

sage.

Several pre-nuptial parties were arranged, including Foreign Service Officer Class of 1963, and Latin American Division of the Department of External Affairs in Ottawa to which the bride belongs.

The bride's mother was hostess at a trossau tea. The groom's parents entertained at a rehearsal dinner.

The couple will reside in Brandon. The bride is a granddaughter of Mr. J. C. Thain, of Harold Ont.

Harold Snip and Stitch Club

The first meeting of the Harold Snip and Stitch Club was held at the home of Mrs. White on February 19th. The meeting opened with the repeating and the Pledge. Officers were elected as follows:

Treasurer, Cheryl Burley; President, Debra Gildoon; Press Reporter, Jo-Anne Kirm. A floating secretary was decided upon.

Other members of the club are Betty Sine, Marilyn White, Karen Sine and Gail Maybee. The leaders are Mrs. Akins and Mrs. White.

Pale blue book covers were decided upon and the pamphlets and leaflets were distributed. Debbie Gildoon was chosen to write the letter to Miss Monroe. The meeting closed with the Lord's Prayer and lunch was served by Mrs. White.

The second meeting was held at the home of Mrs. Akins on February 27th. The meeting was opened by the saying of the Pledge and Betty Sine read the minutes of the last meeting. Roll call was answered by showing the different materials for two types of girls and Mrs. White showed the girls how to arrange them in the books. The next meeting is to be held at the home of Mrs. Kirm. The motto is "Learn to Do by Doing". Cheryl Burley took up the collection and a few of the girls worked on their blouses. Mrs. Akins showed how to lengthen a waist and to shorten and lengthen a shoulder of a pattern. The meeting was closed with the Lord's Prayer and lunch was served.

FORD...Quietly takes your breath away!

With a hot new 240 Big Six and solid, silent ride!

It used to be that a Six had to be weak on power to be strong on economy. But Ford's new 240 Big Six is very economical and it delivers a wallowing punch, especially with Cruise-O-Matic transmission.

The new 240 Big Six is standard on Custom and Galaxie 500 models. It is more powerful, more durable, smoother running and more economical than last year's Six.

There are other advantages to buying a 6-cylinder Ford besides getting the most powerful Six in Ford's class.

There's Ford's Cruise-O-Matic with 3 speeds for easier passing and gas saving. And two driving ranges. The second starts you in 2nd gear—helps prevent you spinning your wheels in mud or snow.

You've heard of the silent ride... it's the first thing you notice and it is wonderful. The ride is also smooth. So before you buy any new 6-cylinder car, check out the silent riding Ford with the new 240 Big Six. See your Ford Dealer. Ask about a six-cylinder convertible... Spring is coming.

River Valley W.I. Historical Meeting

On Thursday, March 4th, Mrs. John Boswick, Frankford Road, was hostess for the historical meeting of River Valley Women's Institute. There were twenty-two members in attendance and several pre-school children.

Mrs. Vernon Harry conducted the opening exercises. The roll call was most interesting and centred around items of interest from your birthplace. Five ladies were born in the Valley community and two were born on Pump Street in the Mount Pleasant community and the others were born farther afield, some from England. Mrs. Ernest Carr gave her report and Mrs. J. R. Donohoe presented the financial picture. The correspondence included a letter from the Dept. of Agriculture re a booklet on "The Art of Making Sandwiches" which the members will be happy to

Committee Reports

Mrs. Jack Bush gave facts re fish and said that fish is a good dietary source of four minerals — iodine, copper, fluorine and phosphorus. All fish are an excellent source of complete high quality protein, necessary for the growth and repair of body tissues. Mrs. Bush also displayed an article with step-by-step instructions for working buttonholes.

Mrs. Roy Tucker told of up-to-date news recently published by the Bell Telephone. Mrs. John Boswick read two articles which had recently appeared in the weekly newspaper re the River Valley School. A photographer had taken a copy of this picture and it was displayed along with other school pictures. Mrs. Glenn Bush gave a message re agriculture in the Spring. Mrs. Percy MacMullen, Friendship Link Secretary, read a letter from Mrs. E. Coombs, Abbott's Leigh, which voiced thanks for messages and Christmas gifts. It

told of their Jubilee party in January and plans for their musical picnic to be held in many country places in Somerset this summer.

For Public Relations, Mrs. MacMullen read a news flash from Kensington, England, which stated that an unusual and historic event took place at the A.C.W.W. General Purpose meeting on January 14th when the C.M.C. of Brazil applied for corresponding membership and was accepted. They have 500 members. This is the first organization in a mainland Latin American country to be enrolled.

A second news flash received by airmail in March 2nd, stated that 1500 women will convene in Dublin, Ireland, in September, 1965. A.C.W.W. is the only international organization of Country Women in the world and has 176 member societies all over the globe and a central office in London, England keeps them together. The Conference will study co-operation, use of chemicals in

farming, safety in homes and on roads, training projects, nutrition and marketing. There are also arranged tours so that delegates from all over the world will see the lovely island, meet Irish Countrywomen, visit theatres, horse shows and attend a real Irish sing song.

Mrs. Roy Tucker gathered the Friendship Pennies and read a message from Mrs. Irwin, Dominion President of New Zealand. This officer stressed that she must constantly reassess the size of her world and be on guard against the treacherous advance of limited vision.

Mrs. Roy Bush displayed several pictures of interest.

In the business period, the Nominating Committee was appointed for April and will be Mrs. John Kane and Mrs. Philip Conley. Money will be provided to purchase leaflets for the 4-H Club girls.

A special euchre party will be held early in April with the four group leaders in charge and proceeds for Stirling Arena.

The next meeting will be held on Thursday, April 1st, at the home of Mrs. Roy Tucker. All reports of Standing Committees are to be presented, dues paid, and officers elected.

Programme

The programme was arranged by Mrs. Roy Irven and Mrs. Claude Tucker. The former presided and the latter read a magazine clipping and a humorous poem. Mrs. Philip Conley rendered two piano selections.

Mrs. John Boswick read an article giving a fascinating report of new machines used in agriculture. This outlined tomato farming in California, planting row crops in New Jersey, harvesters in orchards of Southern Ontario and British Columbia, potato sheds and many other inventions.

New storage techniques are changing the year round supply of many fresh fruits and vegetables. The professors are always busy with research at the Agricultural Campus at Davis, California, and many new ideas are most helpful.

Mrs. Charles Wilson gave a few up-to-the-minute current events which disclosed that a robin had been seen in the vicinity.

Mrs. Ernest Carr gave a very interesting motto on the subject "Through Adversity to the Stars". She stated that balloons were used in the siege of Paris in 1871. In 1878, the British Army experimented at Woolwich Arsenal and later Royal Engineers were sent to the Sudan. In 1890, a regular balloon section was formed which is probably the nucleus of The Royal Air Force.

The Royal Flying Corps was constituted in April, 1912, and the Royal Naval Air Service in 1914. Later these two groups of service merged and on April 1st, 1918 The Royal Air Force was born.

Canadian flyers belonged to the R.A.F. during World War 1, and at the close of the Armistice, November 11th, 1918, some 13,000 combat flyers returned to Canada. Several of these men decided to make flying their career. Finally in February, 1920, the Canadian Air Force gave the Canadian people a sense of confidence in the feasibility of peace-time aviation. Their original motto was "This is the way to the stars".

On August 13th, 1921, the Australian Air Force became "Royal" and soon after that Wing Commander Stedman, Director of Technical Services suggested that Canada make similar application. Thus on April 1st, 1924, with new airplanes, the R.C.A.F. was inaugurated. The flyers, with a bow to the memory of Sir Willoughby Gwatkin, adopted the light blue R.A.F. uniform and their motto, "Through Adversity to the Stars". This motto is displayed on the badge located on their hats. Mrs. Carr closed her message with an appropriate poem, "Our Air Force".

Historical

Mrs. Roy Bush gave a descriptive account of old school registers. She read the story of the organization of The Progress Club in 1913 and various items taken from the minutes of that organization.

It was revealed that hot lunches were served in the school in 1944-45.

When the Easter Seal Campaign opens on March 18th, one of the important services that will be helped by Easter Seal donations is the spe-

cial clinics for crippled children held in many parts of Ontario. This young boy has just been fitted with new braces and canes and the doctor

When you feed Purina Dairy Chows your milk profits never dry up.

Purina Cow Chow Concentrate can help you get up to a ton more milk per cow.

An extra ton of milk per cow not only boosts milk income, but actually reduces your over-all cost of production. Long-range feeding tests at the Purina Dairy Research Centre proved that point.

Purina Cow Chow Concentrate is designed to help you get all the profitable milk production that is possible. Cow Chow is a high-efficiency ration because it's high in carbohydrates (more energy), low in fibre (less waste), packed with proteins (more milk) and balanced with essential trace minerals (healthier cows).

Mixed properly with grain, Cow Chow gives you a dairy ration that will help you get every last pound of profitable milk that your cows can produce. To get extra low-cost milk production from your cows, order Purina Cow Chow Concentrate from your local Purina Dealer today.

THE FARM NEWS LETTER OF HASTINGS COUNTY

Ontario Department of Agriculture, Stirling, Ontario

FIRST ANNUAL QUINTE DAIRY HERD IMPROVEMENT ASSOCIATION CONFERENCE

A special invitation is extended to Hastings D.H.I.A., Prince Edward & Hastings D.H.I.A. and Lennox and Addington D.H.I.A. and a general invitation to all milk producers in the Quinte to the First Annual Quinte Dairy Herd Improvement Association Conference to be held in the Kiwanis Centre, 118 Dundas St. E., Belleville, on Friday, March 12, 1965, from 1:00 p.m. to 4:30 p.m.; speakers, H. McGill, Associate Livestock Commissioner, Livestock Branch, Toronto and Frank Barnes, Economics Branch, Ontario Department of Agriculture, Toronto. His subject will be on "The Importance of Keeping Farm Records". This is an open meeting and the convenor is Brooks Allen.

HOW MUCH MONEY can you afford to put into livestock buildings? This is the leading question in a series of three meetings dealing with the Economics of Farm Buildings. In order to cover the three main classes of livestock, they will be held on the basis of special interest as follows: Tuesday, March 23 — Beef Buildings, at the Provincial Building, Lindsay; Wednesday, March 24 — Dairy Buildings, at Agricultural Building, Brighton; Thursday, March 25 — Swine Buildings, I.O.O.F. Hall, Orno. All meetings from 10:00 a.m. to 3:30 p.m.

TREND TO CORN — Grain Corn for cash sales and more important to Hastings for livestock feed. We can grow it. Needed now are more acres, as much as 6,000 to get production levels to a point where we are a major producer in Ontario. The year Corn Advisory letters will be available to growers that want this service. The Quinte Area Soil and Crop Improvement Association will put out the Corn Letters as they turn the "Spotlight on Corn" in 1965.

THE OTHER GRAIN CROP — Work to be done now and in future will be on barley. Some call it the "bad boy" of spring grains. Feed potential is on basis of 60 bushels of barley, equals 100 bushels of oats. The answer is obvious when on your farm barley production is 40-45 bushels and oats 55-65. Needed now for better

livestock programs in Hastings 1,000 additional acres of barley.

WANTED — Competitors for the Grade "A" Hog Carcass Competition. In 1964 there were nineteen entries. That was the first year, with good results. This continues in 1965 and the objective is 50 competitors. See the green sheet, and send your entry in now.

Salem U.C.W.

Salem U.C.W. held a quilting and dinner at the home of Mrs. Orval Jackson on Thursday with a splendid attendance.

Mrs. Lorne Hagerman acted as hostess and during the afternoon, Mrs. S. Thompson, president, opened the meeting with a poem, followed by the theme song and prayer.

Some correspondence was read, including Day of Prayer Service. Following some discussion of business, Mrs. Frank McGee presided over the programme. Mrs. Ern Broadworth led in devotions. Mrs. H. Holden and Mrs. O. Jackson gave readings. A hymn was sung and Mrs. McGee conducted the study period. Benediction closed the meeting.

St. Paul's General U.C.W.

Around 65 ladies met in St. Paul's United Church Ladies' Parlor on Tuesday evening, March 2nd, for their general U.C.W. meeting.

Mrs. J. L. Good, President, opened the meeting by reading a letter of greetings and encouragement from the Chairman of the Board of Women.

During the business period, it was reported that 101 calls were made on newcomers, sick and shut-ins since the last meeting. Mrs. J. B. Small was unanimously named Honorary President and a member of the Christian Citizenship and Social Act-

ion Committee of the U.C.W. The annual St. Patrick's Supper will be held on Wednesday, March 17th, at the church, beginning at 5:30 p.m. Tickets will be on sale from any of the ladies. Plans are being made to serve the Belleville Presbyterian Church Men a lunch on March 21, at 11 a.m. at the church. Mrs. Ayhart pointed out that there is a lack of nylons in Korea, and nylons will be received at the next general meeting, to make up a bale for Korea. Mrs. Ed. Warren presented the 1965 budget. Recommendations brought to the meeting from a recent executive meeting were passed. These were: that the Visiting Convener be authorized to purchase suitable literature to present to sick and shut-ins when calls are made; that the budget be accepted; that letterhead paper and envelopes be purchased; that two girls be sent to Camp Quin-Mo-Lac; that a small donation be sent to Rev. Young and family at Five Oaks, re their recent burn-out; that the U.C.W. share equally with the AOTS the cost of putting the Observer in each United Church home; that the Christian Home magazine be presented to parents of new babies when the mothers are called on by visitors; that Mrs. Harry Walte be named Historian in charge of keeping the books and records; that the unit leaders be given a small amount of money for starting purposes.

Mrs. George Heasman, of Unit 5, led the Devotional and began with hymn No. 589, "This Is My Father's World". Mrs. Roy Bush read the Scripture, Mark 11: 1-11 and Mrs. Heasman gave the meditation on this Palm Sunday story. Mrs. Glenn Brooks favoured with a lovely solo, "Open the Gates of the Temple" to close this very inspiring devotional service.

Unit 2 was in charge of the program and Mrs. Elwood Bateman introduced the guest speaker, Rev. J. B. Small, who spoke on the New Curriculum. Why do we need a New Curriculum? To know what we believe. What is the New part? The new part is not the doctrine but rather the emphasis on adult education first. We can not teach a faith we do not know. The Bible should speak to us today.

It must be a living book for today's adults and students alike.

A question and answer period followed Rev. Small's remarks, and this proved to be very beneficial to all.

Mrs. Bruce Glendinning favoured with a solo, "Art Thou Troubled", and Rev. Small closed the meeting with the Benediction.

A very tasty lunch was served by Unit 1.

Economy was never this luxurious or luxury so economical

Chevrolet interiors invite you to discover just how luxurious a car can be. Chevrolet has what is takes to make you comfortable... loads of footroom, hip-room, shoulder and headroom. There's deep-twist carpeting, foam-cushioned

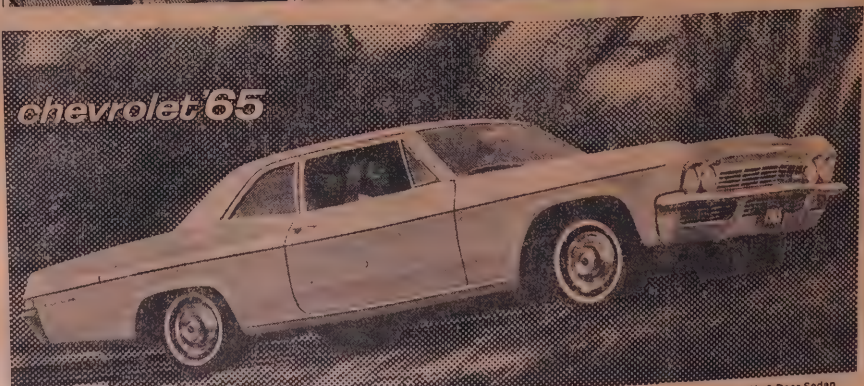

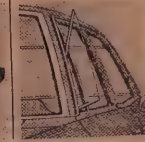

seats finished with pattern cloth or long-wearing vinyl. And more... crank-operated ventpanes, cigarette lighter, rear armrest with ashtrays. Check luxury — first item in the Chevrolet list of plus values!

Chevrolet's famous Turbo-Thrift Six warms up quickly. Puts 140 horsepower at your toe to give you spunk and savings. A full complement of maintenance savers, too. Chevrolet power — with V8's up to 400 hp — plus value!

Frameless curved sideglass and curved side pillars add to shoulder room, give a lithe, light look. And the new bonded-in windshield and rear window give more positive sealing, a smoother overall appearance.

Chevrolet's built-in "extras" give you lower maintenance costs, a higher price at trade-in. Like the rust protection from Chevrolet's flush-and-dry rocker panels; water entering the cowl inlet ventilation system, flushes out dirt and dust. Incoming air

follows, dries the panel interiors. Like the inner front and rear fenders which do a great job of protecting outer panels. Add up all the pluses and you'll discover why Chevrolet is the most economically luxurious buy you can make.

120 Women Attend World Day of Prayer Service In Stirling

On Friday, March 5th, 120 women from the Stirling churches and nearby points gathered in Good Tidings Tabernacle Pentecostal Church for the annual World Day of Prayer service.

Mrs. Robert Donnan gave a piano medley of familiar hymns as a prelude to the service. Mrs. Melville Gellis and Mrs. Keith Donnan welcomed the guests and each received a programme which was written by Mrs. Jesse McNeil, a gifted and distinguished American negro woman.

As this is a comparatively new church the new pews were set in place in readiness for this service.

Mrs. Gordon Harmon, president of the Women's Missionary Society of the hostess church presided over the service. Mrs. Clayton Stapley, president of Carmel United Church Women led the group in responsive sentences.

Mrs. Robert Patterson, of St. Paul's United Church, was second leader. Mrs. Ernest Carr, of St. John's Anglican Church was third leader, and Mrs. Bert Cook, of St. Andrew's Presbyterian Church, as fourth leader in the intercession with six ladies in the audience assisting, each reading a selection of Bible verses as outlined in the programme.

Mrs. B. McKinnon and Mrs. R. Donnan contributed a vocal duet based on a Negro spiritual, with Mrs. Donnan giving accordion accompaniment.

Mrs. Harry Moorcroft, of Grace Chapel, gave the special message on the theme for the day. The offering amounted to \$44 and will be sent to the Women's Inter-church Council of Canada to provide Christian literature throughout the world. Last year over \$70,000 was contributed by women from all parts of the world.

Trenton RCAF Defeat Intermediates

Despite the critics who claimed Stirling was in for a rough time against the Trenton RCAF in their O.H.A. playdowns, Stirling outshot Trenton 32 to 27 and had a considerable edge on scoring opportunities in Monday night's game in Trenton. The only difference was they lacked finesse and polish around the net.

Trenton opened the scoring at the 3:18 mark of the opening stanza on a breakaway by Currie. Moonie made it 2-0 midway through the second and Currie added another seconds later. Bartsch put Stirling on the score card on the return rush batting home Smith's goalmouth pass. Mere seconds later Reid scored after Wright set him in the clear. Currie netted Trenton's final tally at 11:54 of the final stanza.

Keith Steacy and Keith McDonald Picton, officiated.

Discussion and group work was led by Mrs. Gerald Brooks on the different kinds of material suitable for a blouse. The girls decided that cotton would be the best to work with. Mrs. Brooks also demonstrated how to lengthen or shorten the length and shoulders of a blouse.

The girls had their material, strengthened by pulling a thread on either end and then cutting on the line the thread left.

The home assignment is as follows: Buy blouse pattern and material; study pattern and determine the necessary alterations; prepare the material; continue work on chart and work on record book.

Stirling Takes Lead Over RCAF

Stirling Elaines took a two to one lead in the best three of five series with Trenton R.C.A.F. this past week in the Intermediate "C" O.H.A. play downs.

Stirling earned a hard-fought 3-2 victory Wednesday night and scored another close, 5-4, win on Friday night.

Friday night's game saw Trenton open the scoring with McVicar hitting the bump. Ross Anderson came back to score a pair seconds later. Fry upped it to three to one in the second stanza, but McVicar came right back to put the fly-boys back in the game. Hagerman hit for Stirling in the third but Brown and Currie tied it up for the R.C.A.F. and sent the game into overtime, but then Captain Bob Bartsch scored the winning tally at 4:43 with Meeks assisting.

The fourth game of the set, scheduled for Monday night at the local arena was postponed due to a breakdown in the ice-making machine. The tilt was re-scheduled for Wednesday night (to-night) at the local arena.

The winner of this set will go on to meet the winner of the Cannington-Port Perry set which should be decided this week end.

STIRLING FESTIVAL OF SACRED PRAISE SEEKS PATRONS

Founded by the Rev. and Mrs. A. E. Baker, the Stirling Festival of Sacred Praise will mark its fifteenth year of progress this year. Throughout the years the Festival has proved its purpose: "to promote and encourage a high standard of sacred music in practice and appreciation".

It has been influential to a large number of children and adults, irrespective of religious denomination, to widen their interest and advance their ability in the realm of sacred music which not only enriches the life of the community as a whole, but brings deep and lasting satisfaction in the participants.

Costs of maintenance and operation of the Stirling Festival of Sacred Praise have increased considerably over the years. The scale of admission prices and competitors' fees have been kept at a minimum as a public service. Few festivals in Canada "break-even" by their own financial resources. It is only by the support of Patrons and others that the work of helping to keep alive good music in the community is maintained and strengthened each year.

The Stirling Festival of Sacred Praise is in need of such financial assistance and, in this direction, the committee is extending the list of Patrons. You are assured that any assistance you may desire to render will be highly appreciated. Please address any financial contribution to the Secretary-Treasurer, Mrs. D. M. Armstrong, Stirling.

"Many people take no care of their money till they come nearly to the end of it," wrote Goethe, the German poet, "and others do just the same with their time."

A solo was sung by Miss Patsy Benson and

Mrs. John McIntyre gave a reading. Two piano solos were presented by Jim Haggerty.

The Club members were fortunate to have as guests, Mr. and Mrs. Bruce Stapley, who showed movies of a motor trip to Honey Harbour, New York and Vancouver. Mr. Stapley also showed local weddings and scenes nearer home, which proved of great interest to all present.

Mrs. Russell Sills, on behalf of Club members, expressed grateful thanks to Mr. and Mrs. Stapley. Lunch was served.

Campaign Helps Program of Rehabilitation

The Easter Seal campaign for 1965 will make it possible for the doctors, therapists, nurses, teachers and volunteers to develop and conduct a program of rehabilitation for the more than 16,000 crippled children in Ontario.

Each year, Easter Seal dollars in Ontario have helped this team to study, analyse and diagnose hundreds of crippling conditions. Each case is considered and followed through individually, so that each child will eventually participate to the best of his ability, in a normal, fruitful life, without the shackles of dependency. To enable each child to reach his or her full potential, the Ontario Society for Crippled Children and their 833 Easter Seal service clubs invites everyone to support this year's \$1,000,000. appeal. The system of service that has been developed by the Society through service clubs, gives many advantages to the child and the public.

For the child, it means a personal friendly service being given by a respected member of the community. To the community, it means an economy of cost by having so many experienced volunteers available throughout the whole year. This system and this team of professionals and volunteers must be preserved, for combined — there can only result — better things for the crippled child.

Support your Easter Seal campaign — you will be helping the most advanced program of rehabilitation for children that is available anywhere.

ANNUAL REPORT TIME

The Company's Annual Report for 1964, mailed in February to shareholders in the Stirling area, has facts and figures that may be interesting to customers and others as well.

Take the number of telephones added to the network last year, for example — 222,475 (including 64 in Stirling). This is almost as many as serve the entire Ottawa-Hull metropolitan area, and is the third time in Company history that over 200,000 telephones were added in a single year. (1956 and 1955 also set records). The figure becomes even more impressive when it is realized that it took thirty-three years — from the Company's inception in 1880, until 1913 — to reach the first 200,000 telephones in service.

Even as recently as the First World War, then, telephone service could not be considered the necessity it is today. Most people obviously didn't have telephones (though most businesses surely did) and the number of people you could reach was restricted. Today, of course, the whole pattern is changed. At the end of 1964, the Company had 4.3 million telephones in service, reaching into virtually every office and an estimated 92% of households in our territory in Ontario, Quebec, Labrador and the Northwest Territories.

And though telephone service has long been absolutely vital to the operations of Canadian businesses — and a single large corporation can require literally thousands of telephones within its offices and plants — we find nevertheless that year after year the proportion of telephones in homes has been creeping up, compared to those in business use. In 1964, for example, 70.6% of our telephones were in homes, compared with 70.5% in 1963, and 69% in 1955.

This to me is a sure indication of the standard of living enjoyed by Canadians, for Canada is one of only a handful of nations where individual families benefit so universally from the security and convenience of telephone service.

And speaking for the Bell, one major reason why this is so is that intensive effort is continually made to keep the cost of this vital service within the reach of any family in our territory.

Mount Pleasant Rawdon U.C.W.

The March meeting of Mount Pleasant-Rawdon United Church Women was held on Wednesday, March 10th, at the Church Hall with twenty-one members in attendance. Mrs. Harry McAdam, president, was in charge and Mrs. Garth Joslin was pianist. Mrs. Burton Sharpe acted as secretary and the members read various articles on Brazil.

It was decided to pay all the individual children's Festival fees. The group favoured October as the month best suited for the Annual Rally.

Mrs. Raymond McConnell and Mrs. Frank Spencer presided over the worship and the programme and each took various parts. The new Devotional Book was used, centred on the theme, "The Moral Spectrum, with the chapter, "Blue for Depression". The prayers, Bible lesson and meditations were given by Mrs. Percy MacMullen, Mrs. David Poits, Mrs. William McAdam, Mrs. Burton Sharpe, Mrs. Harvey Couch and Mrs. Ira David.

On the programme, Mrs. Thomas Sables rendered a vocal selection. Mrs. Grant Hubble read a poem and all took part in singing a few Irish melodies.

Mission Study

on Brazil

Mrs. Kenneth Weaver read an article by Dr. Burch which gave some of his impressions re Brazil. The Mission Study then continued with a resume of the various churches in that country as found in the Study Book.

The Methodist Church in Brazil has 140 ordained ministers, a Theological Seminary and an Experimental Farm. At the farm expert advice is given to aid in growing the various crops of coffee, oranges, sugar cane and other foods. The church was pioneered in 1876 by a missionary from the Southern United States and it became self-governing in 1930.

There are over 800 congregations with over 53,000 members. It placed strong emphasis on education and pioneer evangelism. A great deal of literature is published for both adults and young people. The Methodist Church of Brazil also operates an orphanage for children.

The first missionaries from the United Church of Canada went to Brazil in 1960 and they joined forces with the Methodist Church of Brazil, rather than to establish a separate organization in that country. The United Church sends a yearly contribution of over \$45,000 to carry on missionary work in Brazil.

In 1961, Mr. and Mrs. Lloyd Strachan arrived in Brazil and he is in charge of the agricultural program while his wife, as a nurse, gives short courses of public health instruction. He is helping these people to grow rice, beans, corn, cotton, soy beans and various vegetables and fruits instead of such large acreages of coffee.

Mrs. Oscar Merrick and Mrs. Douglas Campbell furnished the refreshments for the meeting.

Mrs. Russell Rupert Hostess Stirling W.I.

Mrs. Russell Rupert opened her home to the Stirling Women's Institute on Thursday afternoon, March 11th, for their March meeting.

Mrs. Frank Smith opened the meeting in the usual manner with the music supplied by Mrs. David Luery. Roll call, "Lightings of the year", was answered by 11 members and one visitor. "Thank you" expressions were given by Mrs. D. Luery, Mrs. M. Ayhart, Mrs. S. McMurray, Mrs. P. Bronson and Mrs. L. Rodgers.

Mrs. West gave a report of the purchase of quilt materials and supplies. A large amount of prints, broadcloth and flannelette is now on hand for quilt-making.

Mrs. Ayhart will be hostess for the next meeting when the West Hastings District President, Mrs. Gerald Herrington, will pay her official visit. Mrs. Rupert will fill in for Mrs. Mumby as auditor. Collection amounted to \$4.10.

The Sandwich recipe book was handed out to the members, a contribution from the Agricultural Office, Stirling.

Mrs. West was chairman for the programme with the topic based on Canadian Industries. Gary Reid, who received honourable mention at the Stirling Public School Speaking Contest, loaned his address on the manufacturing of cheddar cheese, which was most interesting.

Current events were given by Mrs.

Karl Luery, telling of the raising of the new flag at the local Post Office, the Hospitality Day at the Legion Hall, the Fire Department donating the hot bun machine to the Arena's canteen, as well as foreign news.

Readings were given by the following: Mrs. E. Foster, "Pie Making"; Mrs. David Luery, "Our Youth's Education"; Mrs. E. Luery gave a delightful rendition of old familiar songs.

The singing of The Queen closed the meeting. Lunch was served by Mrs. West, Mrs. Smith and Mrs. Foster, after which a vote of thanks was extended.

St. John's Parish Guild

St. John's Parish Guild held their monthly meeting on Tuesday, March 9th, at 2 p.m., with the president, Mrs. F. Harding in the chair. A hymn was sung and prayers were read by Mrs. Harding. Scripture reading was given by Mrs. H. Parsonson.

Correspondence was read and the treasurer's report was given. The Guild will sponsor a Spring Tea and Bake Sale in May.

The business portion of the meeting was closed with prayer by Mr. Downing.

Readings were given by Mrs. F. McGee and contests conducted by Mrs. A. Sine. A delicious lunch was served by Mrs. A. Sine and Mrs. E. Reid. The hostesses were thanked by Mrs. K. Mumby.

Presbyterian Women

The ladies gathered in the Church Parlours on the morning of March 11th for a quilting. At noon a pot luck dinner was enjoyed when others joined in for the delicious meal.

Afterwards the ladies returned to quilting. At two o'clock the regular meeting started. Mrs. Bert Cook took charge and welcomed all present. She stated the theme for the day was "Brotherhood and Tolerance" and then read a poem on this subject.

The hymn "Blest Be the Tie That Binds" was sung. Mrs. Walter Rodgers read the Scripture lesson. Mrs. D. Montgomery gave a reading on "Prejudices." The meditation was given by Mrs. B. Cook, "Make way for Brotherhood — make way for man," followed by prayer.

Several items of business were dealt with. It was reported that the hall in the Manse had been decorated and the proceeds from catering at the Sale Barn were very gratifying.

The questionnaire regarding women in the Presbyterian Church was studied and answered. The Mizpah Benediction closed the meeting.

Harold Snip'n Stitch Club

The 4th meeting of the Harold Snip'n Stitch Club was held at the home of Mrs. George Sine, on March 13th. The girls opened the meeting by repeating the 4-H Pledge. Each girl answered the roll call with "The colour and style of my blouse". Marilyn White read the minutes of the last meeting. Mrs. White gave the girls sheets to follow for the com-

ing achievement day. She also showed some of the girls how to fill in the Inventory. Cheryl Burley took up the collection.

The next meeting will be held at the home of Mrs. White, on March 20th.

The meeting closed with the Mizpah Benediction and lunch was served.

Initiatory Degree Conferred

A large number of members of Stirling Lodge No. 239, along with many visitors from the district, were present at the regular meeting of the Lodge at the I.O.O.F. Hall on Charlotte St., in Stirling, on Wednesday evening, March 10th, to witness the exemplification of the Initiatory Degree conferred jointly by members of Spring Brook and Stirling Lodges on two candidates in a very impressive ceremony.

The highlight of the evening was the presentation of a Biblical picture, portraying the traveller going down from Jerusalem to Jericho, by Bro. Wilson, of Trenton. Bro. Wilson does painting as a hobby and has done a number of paintings for Lodges in the Quinte District.

In making the presentation, Bro. Wilson stressed the importance of

observing and practising the symbols and signs portrayed around the scene which showed that it is our duty to practise and administer compassion to one less fortunate than ourselves.

Bro. Glenn Clarke, Noble Grand, called upon P.G.M. Earl Fox, who in a few well-chosen words thanked Bro. Wilson for his interest in Stirling Lodge and on behalf of the Lodge very graciously accepted this beautiful picture and as one looks upon it and studies it, it may remind one of the many hours and weeks of careful and painstaking skill by one who likes to bring out these Biblical stories in picture form.

At the close of Lodge, lunch was served and a social hour enjoyed downstairs.

"You must realize, my boy," the father told his about-to-be married son, "you will have not only another mouth to feed but a big one to listen to as well."

Marmora Ousts Stirling in T.V.L.

Bob Bartsch and Garry Wright scored for Stirling, both late in the third period. Only six penalties were called in the game and Stirling was showing the effects of the tough O.H.A. schedule.

Mr. and Mrs. Robert H. Hoard entertained thirty guests on Friday evening, March 13th, at their home when all enjoyed a surprise dinner party in honour of the 80th birthday anniversary of Ross Hoard. The Mount Pleasant guests were Mr. and Mrs. Frank Hutchinson, Mr. John Holmes, Miss Annie Holmes and Mr. and Mrs. Percy MacMullen.

Kenneth Holmes underwent surgery in the Pembroke General Hospital last week. His father, Mr. John Holmes plans to visit in Pembroke this week.

STIRLING HORTICULTURAL SOCIETY

With the kiss of the sun for pardon. And the sing of the birds for mirth, One is nearer God's heart in a garden Than anywhere else on earth.

So why not join your local Society and help to keep God's world beautiful. There is great joy in a garden.

Mr. and Mrs. Mac Sharpe entertained twelve boys in the community to a supper party after school in honour of the ninth birthday anniversary of their son, Kenneth.

Lylo Townsend, Halloway, spent last week with his grandparents, Mr. and Mrs. Clarence Scott, while his mother, Mrs. Ralph Townsend, was in Oshawa.

Mrs. William Morgan and Suzette attended a birthday party for their grandmother, Mrs. Wm. Ashby, on the occasion of her 79th anniversary.

Relatives and friends here have received the news that Rev. T. E. Floyd Honey, Secretary of the Board of World Missions of the United Church of Canada has been named Secretary for Missions and Service for the New York office of the World Council of Churches. Floyd will begin his new duties on July 1st, which is a very important place within the ecumenical movement.

Men's Five Pin League

The first night on the new automatics in the Bowl-O-Drome produced better than average games for a number of participants in phase 1 of the B.P.A.O. Roll-offs for a trip to Jamaica.

As Ralph Scea's "Maple Leafs" bombed Art McConnell's "Bolows" 7 to 0, Cliff Short's "Legion" was downed 5 to 2 by Garry Poste's "Bad Boys". Later, Jim Williams' "Odds & Ends" put the kibosh on Bob Montgomery's "Garage" to the tune of 5 to 2 also.

Doug Scea blasted a beautiful 325 second game for high single and 788 total for high triple. Doug holds the high average of 229 with Tom Kovachs running a close second with 224.

Stirling Elaines Advance To Ontario O.H.A. Intermediate 'C' Semi-Finals

Will Meet Port Perry On Thursday Night — Return Game Here Saturday Night

Five years ago, Stirling Elaines were just a bush-league team, financing their expenses out of their own earnings. Now, five years later, finds them in the O.H.A. semi-finals, although none of the original squad is left.

WIN DECIDING GAME OVER R.C.A.F. FLYERS

Stirling Elaines took the fifth and deciding game in their O.H.A. Intermediate "C" quarter-finals against Trenton R.C.A.F. Flyers. The game was played here on Monday night before a large crowd in a free-wheeling penalty-ridden game that saw 70 minutes in penalties and had the score-keeper scratchin' his noggin more than once.

Stirling took the set three games to one with one game tied. Stirling recruited Doug, Potts, Pete Bosiak and Robert Vandervoort from the Junior squad and all turned in fine performances; especially Potts who seemed accustomed to the heavy going and scored the locals' first goal on a sizzling blue-line slap-shot.

Garry Wright added the second tally on a solo effort. Bob Bartsch combined with Bosiak and Meeks to score the third goal with Foshay hitting on a back drive to up it to 4-0.

Trenton came out for action in the final session but Bartsch and Foshay potted two quickies to put the Flyers out of contention. Stevens scored the Flyers' first marker at 2:45 but then Stirling kept foiling the Flyers, rush after rush and the frustrated Flyer squad started to get a bit chippy with elbows and sticks coming up.

Leighton and Wright scuffled briefly which almost developed into fist-cuffs and each drew double minors. Then the steady parade to the sin-bin started with each team playing two men short on one occasion. Howald drew a minor 10 minute, misconduct and a game misconduct after protesting too strenuously over a tripping offence. With the Flyers two men short, Stirling put on the pressure and had Trenton goalie, Ron Diano, in several uncomfortable positions to block numerous labelled drives.

Stirling failed to score and shortly after, Leighton upended Wright in full flight and the aggravated Elaine speedster dropped his gloves, and went after Leighton, with the referees having difficulty separating the two combatants. Meanwhile, Oxford and Foshay were having a duel of their own. Foshay and Oxford each drew minors, with Wright getting a major and Leighton a major and a minor.

R.C.A.F. added two more late in the third, with the locals two men short, with McVicar and Kyle connecting. Stirling out-shot Trenton 25 to 15 in the wide-open third period and 61

STIRLING, WED. MARCH 17th — Stirling jumped into a four-goal lead in the opening period, but Trenton came back to tie it mid-way through the third stanza to send the game into overtime. Both teams added one in the extra session to make the final score 5-5.

Sonny Foshay with two, Bob Bartsch and Phil Meeks scored for Stirling with McVicar, Gardiner, Stevens and Pelletier tying it up in regulation time. Smith put Stirling into a short-lived lead at 1:45 but Oxford tied it up for good, twelve seconds later.

Both goalies, Diano, for the Flyers, and Genereaux, pulled off some spectacular saves, especially Genereaux in the second stanza when he was called upon to kick out 23 Flyer drives.

March Meeting Stirling Horticultural Society

The Stirling Horticultural Society held a most enjoyable meeting at the home of Mr. and Mrs. J. B. Belshaw, Front St. W., on the afternoon of Monday, March 15th. The president, Mrs. Floyd Armstrong, welcomed all old and new members present, and requested that all stand to say the Lord's Prayer, followed by The Gardener's Prayer.

Business was conducted and Mrs. Armstrong reported that the purchase of plants for the flower beds and boxes in the locality has been arranged, and the members were reminded that the first week in May is Annual Clean-Up Week. It is also arranged for the next meeting to take place at St. John's Church Hall on the evening of April 5th.

The programme was conveyed by Mrs. Harold West and consisted of readings, riddles and contests. Mrs. West gave two readings, "Our Garden" and "Life's Lesson". Mrs. M.

Ayrhart read an article about the tulips in Holland and mentioned the great number of tourists that go there from many lands, the peak of the season being April and May. Ladora West asked some riddles and Mrs. O. Warner gave a most interesting reading poem, "What Do We Plant When We Plant a Tree". This had a serious trend and she then gave a very humorous one called "The Borrower".

Groups were formed and contests were conducted. Mrs. Warner gave a reading, "Figures Don't Lie", also humorous. One last contest was conducted on the Provinces, while the committee prepared a tasty lunch of various fruit breads and cheese, tea and coffee.

At the close of the meeting, Mrs. P. Bronson very fittingly thanked Mr. and Mrs. J. B. Belshaw for opening their home for the meeting and the committee for the programme and lunch. She also thanked new members for coming along to join.

There is still time to get a chance on a flowering crab, plus the usual box of plants. Members paid up by March 31st will be eligible for the draw, and winners' names will be

made known as soon as possible. Fee for the year is \$1.00 and the premium is a box of plants.

Elections for forthcoming term will take place at the April meeting, with all members being urged to attend and select their candidates.

Rev. J. McGarvey closed the meet-

ing with prayer, and light refreshments were served by Mrs. S. Meek, Mrs. J. L. Donohue and Mrs. A. Claperton.

Family Honours Couple On Anniversary

Mr. and Mrs. Dave Hollinger, seventh anniversary of Sidney, observed their 40th wedding anniversary on March 4th. During the week, they enjoyed a series of happy events to mark the occasion.

Mr. and Mrs. W. L. Pollock, of Stirling, and a group of friends who have enjoyed several holidays in Florida during past years, arranged a surprise dinner party at the Tops Motor Hotel, Belleville. The dozen friends returned to the Hollinger home on the Oak Hills where the time was spent in reminiscing of pleasant hours enjoyed together in the sunny south. The Hollingers were the recipients of a dozen long stemmed red roses and several other gifts.

Mr. and Mrs. Hollinger displayed their flowers for decoration at a meeting of the Belleville Eastern Star, No. 55, on Friday evening and again on Wednesday evening at a meeting of Belleville White Shrine Club.

On the Saturday, the brothers and sisters and their families gathered at the Hollinger home and a group of 28 enjoyed a delicious pot luck supper. Special guests were the bride's brother and wife, Mr. and Mrs. Bruce Miskelly, of Smiths Falls, who spent a week holidaying at the Hollinger home.

The decorated anniversary cake was made and donated by his sister, Mrs. Grey, of Roslin. During the evening, a brother, Joe Hollinger, of Foxboro, was master of ceremonies for a short programme of interest which included messages of congratulations. The honoured couple were the recipients of many useful gifts

and a money tree.

Mr. Hollinger was born at Fuller, the son of the late Mr. and Mrs. James Hollinger. Mrs. Hollinger was the former Bessie Miskelly, daughter of the late Mr. and Mrs. Alex Miskelly, of Smiths Falls. They have one son, James, at home. They have resided on the Oak Hills since their marriage and both are valued members of Marsh Hill United Church.

United Church Hi-C

On Monday evening the Hi-C's held their weekly meeting at St. Paul's United Church.

After the Devotional, they divided into two groups and discussed capital punishment and lotteries.

Mount Pleasant Messengers

The March meeting of Mount Pleasant Messenger Group was held in the Church Hall with approximately 30 in attendance.

Janet Spencer was musician and rendered quiet music previous to the business period. Judy McAdam gave the call to worship, followed by a hymn and prayer.

Letter To Editor

Dear Sir:

The Staff and Members of the Canadian National Institute for the Blind, would like to take this opportunity of thanking you, for the co-operation you extended to us during White Cane Week, which took place February 7th to 13th. Without the assistance of interested persons such as yourselves it would be impossible for White Cane Week, or any other community project to be successful. It is through your interest and support that those around us can attain greater levels of achievement and satisfaction.

Once again, many thanks to you for assisting us with our service program and from the comments received, it has been appreciated by the general public, as well as the blind in the districts we serve.

Yours truly,
D. I. McCALLUM,
Assistant Field Secretary

Men's Five Pin League

We notice some bowlers doing the Andre Morrisette bit. A last resort?

You sure can tell Easter is not far off. Goose-eggs turned up all over this week. The three low-average teams really whopped the league leaders. The Odds and Ends shut-out the Bolows 7-0; Bad Boys dumped the Maple Leafs 7-0 and Monty's Pride likewise Legion 7-0.

Cliff Short snagged the high single from Ray Poste with a 320; however, Ray went on to win high triple, 786. Doug Scea's high average of 229 is still tops.

Honourable mentions — H. Parsonson 209, C. Short 320, W. Roe 246, B. Little 218, B. Montgomery 200 and 236, R. Poste 318, 238 and 230, K. Johnson 216 and 220, A. MacConnell 222, J. Doran 201, D. Scea 213 and 289, R. Scea 268, R. Henwood 231, T. Preston 226, C. White 260 and 258, L. King 219.

Correction — The B.P.A.O. trip is to Bermuda, not Jamaica.

Craighead-Buntton

Recently a lovely marriage took place in the Church of St. Michael the Archangel, Belleville, when Mary Joanne Buntton, of Belleville, daughter of Mr. Albert Buntton and the late Mrs. Buntton, became the bride of Donald Clair Craighead, of Stirling, son of Mr. and Mrs. Percy Craighead. The church was beautifully adorned with tall standards of white chrysanthemums and gladioli with white satin bows designating the guests' seats. The wedding music was rendered by Miss Dorothy Grant and the soloist, Mr. Edward Brown, sang two selections.

The bride, who was given in marriage by her father, wore an original full length gown of crystal white satin with long sleeves. Her long train and dress were adorned with iridescent sequins. A halo of iridescent sequins held her elbow length veil of French tulle illusion. She carried a cascade bouquet of red Sweetheart roses and white stephanotis.

Miss Joanne Vesterfelt, of Belleville, maid of honour, was attired in a street length dress of blue satin with matching shoes and headress. She carried a bouquet of blue and pink 'mums.

The flower girl, Miss Beckey Irvine, Belleville, wore a dress of white brocade satin, white shoes and flower headress and carried a basket of pink and blue baby 'mums.

The bride's two nephews, David Browns and Robert Buntton, acted as train bearers.

Mr. Lawrence Fedoruk, of Tillsonburg, was groomsman, while Mr. Ron Kinton, and Mr. Herbert Brown, of Belleville, ushered the guests.

A reception was held in the dining room of Club Canara. The bride's table was beautifully appointed with a white damask cloth and centred by an all white, three-tiered wedding cake, topped by a miniature bride and bridegroom. Tall, white candles in crystal candelabra and the bridal bouquets added to the nuptial accent.

The bride's sister received the guests wearing a two-piece navy blue and white linen suit with white hat, black accessories and a corsage of red sweetheart roses. The bridegroom's mother assisting in the receiving line, was attired in an afternoon gown of brown crepe with matching hat and gloves and corsage of talisman roses.

For the wedding trip to Montreal, Laurentians and Ottawa, the bride travelled in a three-piece wool suit of dark gold. She wore an original chocolate brown winter hat with matching leather shoes and bag and corsage of talisman roses.

The couple will reside at 41 Pine

St. Belleville.

Guests were present from Toronto, Waterloo, London, Stirling, Trenton, Picton, Uzbridge.

Previous to her marriage, the bride was recipient of many lovely gifts at a shower given in her honour by her sister-in-law, Mrs. Albert Buntton. The bride was also honoured at a miscellaneous shower by the office staff of Stephens-Adamsop. The bride was presented with an electric frying pan by the Nickel Club of Stephens-Adamsop.

To grow calves fast and save milk too, feed Purina Calf Startena.

Just one bag of Purina Calf Startena can save you 40 gallons of milk.

You can cut calf feeding costs way down and grow calves much faster than average with Purina Calf Startena. In one recent test, at Purina's research farm, a Holstein calf fed on Calf Startena weighed 409 lbs. at 4 months—137 lbs. heavier than normal breed average. And a 4-month-old Guernsey weighed 322 lbs.—105 lbs. above average for the breed. It's easy to feed Calf Startena in either meal form or convenient pellets (we call them Checkers). No gruel to mix or messy pails. Just measure out the proper amount.

To help get healthy, fast growing calves, order some Purina Calf Startena from your local Purina Dealer today.

The school room was attractively decorated with shamrocks and other Irish emblems. The art and craft work was displayed; also several pieces of creative writing and history projects.

The note books, work books and scrap books were prominently arranged in order for the visitors to view what had been accomplished since December.

Miss Grace Pitman, Stirling, music supervisor, was the accompanist for all of the group selections. Printed programmes were used and each item followed in consecutive order without a chairman. A silver collection was taken at the door for the Junior Red Cross Fund.

The programme was as follows, given by the School children:

Mrs. Morton then introduced the guest speaker, Ft. Lieut. William McKinnon, who resides on the Sixth Concession, Rawdon. Mr. McKinnon was born in New Westminster, B.C. He is a graduate of The Eastern Bible College and is an officer at the R.C.A.F. Station at Trenton. Last year he purchased a farm on the Sixth Concession of Rawdon near the Morton home in readiness for his retirement a few years hence, and the family took up residence there.

The speaker introduced his pictures with a brief message re the various places where he had been stationed.

His slides were clear and colourful with lovely scenery from all across Canada.

While stationed at Seven Islands, Quebec, he had been fortunate in getting many views of nature in both winter and autumn colours. Other scenes were of Montreal, Calgary, the Majestic Rockies, Banff, Lake Louise and several lovely scenes taken in Jasper Park, Stanley Park and the Butchart Gardens. There were also pictures of Clinton Air Base and surrounding territory with both sunrise and sunset views.

James Scott, of Grade VIII, voiced appreciative thanks to Mr. McKinnon for this portrayal.

Message

Mr. Orno Sharp, Chairman of Rawdon Township School Area, spoke briefly and voiced thanks to students and teacher for a very interesting programme.

A group of students then served sandwiches, pickles, cheese, cake and coffee and all enjoyed a social half hour.

Elaines Lead Port Perry Two Games To One In Inter. "C" Semi-Finals

Lost First Game 4 to 2 —
Won Second and Third By
Scores of 7 to 1 and 4 to 1

(By Bob Taylor)

WON 4 TO 1 MONDAY NIGHT

After a scoreless first period, Port Perry came out strong and put on a sustained attack that paid off when Geer snaked his way in front of the Stirling cage and flipped the disc over the prone Genereaux. However, Wright came right back and scored two goals unassisted to start Stirling on their way to a 4 to 1 decision to put the locals ahead two games to one in their best four of seven set for the O.H.A. Intermediate "C" semi-finals of Ontario. The winner of this series will meet Port Elgin for the provincial title.

Wright stole the puck from a Port Perry attacker and engineered the play that set Fry up for Stirling's third tally. Bosiak batted down a clearing pass and fired through a mass of players with the puck sliding under the sprawling Topping into the net for Stirling's final marker.

Port Perry started to rough it up and Vandervoort and McCoy were chased for slashing with Carnegie getting a high sticking infraction at the same time. Then Oke and Potts clashed along the boards with both getting the gate for fighting. Oke no sooner got out when he upended Vandervoort, and seeing that he was going to get the gate, took an extra prod at the small Elaine winger and drew another five minutes for spearing.

SATURDAY NIGHT'S GAME

Stirling put on a relentless exhibition of fore-checking and outplayed Port Perry to the score of 7-1 before a capacity crowd at the local arena on Saturday evening, March 27th.

Port Perry opened the scoring with Holliday clicking at 7:28, but Stirling tied it up when Doug Potts' blazing slap shot struck Port Perry goalie Braden on the chin knocking him unconscious and Bosiak tipped in the rebound. Fortunately for Braden he was wearing a face-fitting mask which prevented a serious injury. Bosiak sent Smith away to score late in the period to put the locals in the lead to stay.

Smith stole a Port Perry pass and broke in alone on Braden to score the only goal of the second stanza.

Port Perry came out with several stiff bodychecks in the third but failed to keep the torrid pace that Stirling set and the winners pumped in four more tallies with Meeks, Reid and Fry (2) doing the honours.

Stirling's goalie, Gary Genereaux, put in another standout performance with rookie Doug Potts playing a strong game on defence. Jack Donnan, up from the Junior "D" squad, turned in a fine game, replacing the injured Glenn Hagerman, who was re-

83rd Anniversary

Mr. Rollins enjoys good health and a family gathering, which included several neighbours, was held Sunday afternoon to extend good wishes. He was the recipient of numerous gifts and cards.

leaved from hospital Saturday afternoon.

LOST FIRST GAME TO PORT PERRY

Port Perry took advantage of a couple of Stirling miscues and converted them into goals to earn a 4 to 2 decision over the locals. McNeilly was the big man for the winners with two goals and an assist. McNeilly opened the scoring for Port Perry early in the opening period but Bartsch came right back to knot the count. Burnett and Geer fired second period goals to put the winners into a 3-1 lead. Bosiak had just finished serving a high sticking penalty, when he set Wright up on a late third period tally, but McNeilly scored his second of the night twenty-five seconds later to clinch the game.

INTRODUCTION TO THE TEAM

Since taking over the team one year ago, Don Dean, Manager of the Stirling Elaines, has put the team on an organized basis and now has a smooth functioning unit that soon may be in the O.H.A. Intermediate "C" finals. With Paul J. Collins at the coaching reins, Stirling has become a well-conditioned team with plenty of drive. Roger Smith, Garry Wright, Jack Donnan, Ross Anderson, Marvin Reid, Sonny Foshay, Pete Bosiak, Doug Potts, Robert Vandervoort need no introduction to local sport enthusiasts.

Newcomers to the team include Bob Bartsch, the team captain, of Campbellford. Phil Meeks, a Norwood High School teacher, who hails from Marlbank and plays for Marmora. Gary Genereaux, the quiet goalie, who is never heard in the dressing room chatter, but makes his presence known on the ice with his sensational goaltending. Others are the well known Ray Darrah the crafty veteran from Marmora; Mal Blackburn, Ralph Fry and the sub-goalie El Killian.

NEXT GAME FRIDAY NIGHT

Next game in the series will be at the local arena Friday, April 2nd at 8.30 p.m. Let's turn out and give this fine group of athletes some support in their quest of a provincial title — something that always has eluded Stirling teams.

The return game in Port Perry is slated for Monday night. Those wishing rides see separate notice.

Annual Membership Night Being Planned By Stirling Legion

On Monday, April 12th, the Legion will hold its annual Membership Night. The event, which has proved so popular over the years, will feature a pot-luck supper starting at 7 p.m. Every veteran in the district is invited to be on hand. A special bulletin will be mailed to all district veterans very shortly.

The Branch will provide meat, bread, rolls, coffee, tea, butter and so forth. Each veteran is asked to bring one dish of food, such as potatoes, salad, macaroni, beans or pie.

Arrangements are being made to provide a speaker or other suitable entertainment. Zone Commander Jack Rashotte is also expected to attend the dinner. Every effort is being made to provide a full evening of enjoyment for all district veterans. The branch officers extend a special invitation to all First War Veterans who will be honoured guests on this occasion.

As we near the end of March, the Legion is most anxious to bring its membership up-to-date, and if possible, to register some new members. All members are asked to look after their membership obligation and to assist the Branch membership committee in enrolling new members. If you know of an eligible veteran, please invite him as your guest on Monday, April 12th.

Membership Chairman Russ West reports that present membership is around the 50 mark. With a little effort from all members, this figure can be increased. The pot-luck dinner on April 12th affords us such an opportunity. Let's have a good turnout!

Branch members are also advised of the general business meeting scheduled for Tuesday, April 6th, at 8.15 p.m. in the Legion Hall. Many important items of business are due for discussion.

Ron Andrews Best Forward In Picton Novice Tournament

On Saturday, Stirling Legion Novice All Stars participated in the Picton Novice Tournament and won a runners-up trophy after losing one game, tying one game and winning one game.

In their first game, Stirling lost to Madoc by a score of 2-0. In their second game, Stirling tied Wellington 2-2, but Wellington was awarded the game in overtime, on shots-on-goal.

Stirling's third game was a victory over Marmora by the score 1-0.

Scorers for Stirling were Ronnie Andrews with 2 against Wellington and Roland Tipper with 1 against Marmora.

At the close of the tournament, Ronnie Andrews was awarded the trophy as the "best forward" and this award was certainly well-deserved by Ron.

The Stirling team were awarded a runners-up trophy and have ended their season in fine style.

The players for Stirling were: John McDonnell, Doug Morton, Grog Anderson, Roger Wannamaker, Roland Tipper, Pat Hunter, Tom Reid, Jack Reid, Ron Andrews, Charles Loucks, Brian Ackers, Fred Smith, Colin Nelson, Bobby Fox and Dennis Cooney.

The Festival was organized fifteen years ago by the late Rev. A. E. Baker, when he was pastor of St. Paul's. It has since been held under the auspices of St. Paul's United Church and the Stirling Festival Committee. The theme has been to promote a love of Sacred Praise, especially among boys, girls and young people.

APRIL IS CANCER CAMPAIGN MONTH

Again it is April and the annual campaign of the Canadian Cancer Society.

Some time during this month, a volunteer will call at your door, who will represent the Stirling and District Branch of the Canadian Cancer Society, under the presidency of Dr. Wm. Hipwell. Please make the canvasser welcome and if you do not feel inclined to give towards this appeal, at least accept the literature as the purpose of this campaign is two-fold — to assist in supplying funds for research and assistance to patients and also to make you, the public, more aware of the danger signs of this disease.

"If a thing is old, it is a sign that it was fit to live," says Captain Edward Rickenbacker, American aviator and business leader. "Old families, old customs, old styles survive because they are fit to survive. The guarantee of continuity is quality. Submerge the good in a flood of the new, and the good will come back to join the good which the new brings with it."

RETIREMENT — A NEW DOOR

Retirement is not the closing of an old door, but the opening of a new one. It is the exciting approach to an infinite variety of new testing of a man's ability, new stretchings of his mind, new releases for his energies and abilities. All that is required is that he must recognize new challenge when it presents itself, and accept it zestfully. If he has been doing this all his life, it will be easier for him in the later years, but in one form or another the opportunity awaits everyone at whatever time he chooses, if he will only seek it. . . . The most precious discovery in post-retirement activity is that at long last complete freedom of choice is restored to the individual.

WISDOM FOR THE HOUR

"If today's average Canadian is confronted with an hour of leisure, he's likely to palpitate with panic," says the contemporary Writer Don Herold. "A hour with nothing to do! So he jumps into a dither and into a car, and starts driving off fiercely in pursuit of diversion . . . I thank heaven I grew up in a small town, in a horse-and-buggy era, when we had, or made, time to sit and think, and often just to sit."

Somebody Snitched Our "Etheth"

Following is an article clipped from a recent edition of the Kemptville Advance in their 10 years ago "Do You Remember?" column:

"Our readership will notice that the paper hath a lithp thith week. Thith ith becauth a burglar broke into the compothing room and ththole all the etheth in the eththabli-ment. Hith idea theemth to have been

to prevent thith liththue from being printed. We truthr our readership will appreciate the thierthouththeth of our pthththion and that thith will not prove to be habit forming in thpeth. The police inform uth that they are on the track of the mthethereant who ththole all our etheth."

Mr. and Mrs. Claire Craighead Tendered A Reception

Mr. and Mrs. Claire Craighead (nee Jannene Bunton, of Belleville) were tendered a reception party in honour of their recent marriage, February 27th, at the home of Mr. and Mrs. Percy Craighead, on the evening of March 20th. The friends and neighbours all turned out to extend congratulations and good wishes to the newlyweds.

Mr. Ross Holland acted as master of ceremonies. The group was called to order and there was a round of community singing — "Let Me Call You Sweetheart" and "When You Were a Tulip." Mrs. Percy MacMullen gave a reading, "The Young Man Wearily Waited." Mrs. George Heasman read an address and Mr. Harold Bush made the presentation of an electric wall clock and a sum of money on behalf of the neighbours. Claire and Joanne graciously expressed their thanks to all for party and for the gifts and hoped they could be on hand for some of the future social events.

There were a few impromptu speeches given by Mr. Bunton, Mr. Percy Craighead, Mr. Dods, Mr. Ross Bush and Mr. George Heasman.

Mr. John Craighead put up a screen and showed pictures of the wedding party and some pictures the bride and groom had taken on their honeymoon. There were also some pictures taken at the new iron mine development at Seven Islands where Claire was an engineer for one of his work periods.

A bountiful lunch was served by the hostess and the ladies and the rest of the evening was spent visiting.

The following is the address:

Dear Claire and Joanne:

It is with a great deal of pleasure that we, your old neighbours and friends have come to do honour in respect to your recent marriage.

Claire — We have watched you grow up from a little tad and watched with interest your successes at school and are happy to see your capable, industrious self getting a University education. This, we trust you will finish. However, an education isn't only a means of providing the necessities of present day living but also how to live and get along with your fellow man. In the words of a poet (in part): "It isn't the money you're making, it isn't the clothes you wear, And it isn't the skill of your good right hand which makes folks really care. The thing that counts isn't money, or power, or glory but you." You have been a credit to your community and we are all proud of you.

Joanne — We have not had the pleasure of knowing you and tonight we hope to become better acquainted. You have chosen for a husband one of our fine rural youths and we know you have a good up-right, good-living young man. May God bless you both.

As gifts, we give you most of all our friendship and hope as time ticks off

into weeks, then into months, and then into years, you will remember us sometimes. We hope you will always feel welcome to return to share our community social activities here. Too, we all give you our very best wishes for a long, happy, prosperous life together.

These visible gifts which we give to you collectively from these people here and from others that are not here but are thinking of you at this time, we give as a silent memento of our friendship and affection, which we hope will continue through the years.

Signed — Ross and Laura Holland, Harold and Norma Bush, George and Elva Heasman.

The poem, "The June Couple", by Edgar A. Guest, was read as part of the address.

Institute News -- Centennial Poem

The Federated Women's Institutes of Canada are sponsoring a competition among their 72,000 members for a Centennial poem.

The poem may be centred on any phase of Canada's 100 years since Confederation.

The competition is open to any Institute member across Canada and is one section of The Federation's Triennial Lady Tweedsmuir competition. There are two other competitions open for the best Village history and for the best sample of drawn thread work. This latter is one of the oldest forms of embroidery.

The Lady Tweedsmuir Competition was begun in 1945 by the widow of the former Governor General. She presented the Federation with three silver cups to be awarded for the best Village History and the winners in Cultural and Handicraft sections.

When Lady Tweedsmuir started the competition she said, and we quote: "It is a most useful and satisfying task for Women's Institute members to see that nothing valuable is lost or forgotten. Women should be on the alert always to guard the traditions of their homes."

Funeral of the Late G. Victor Taylor

George Victor Taylor, a life-long resident of Harold, Rawdon Township, passed away suddenly at his farm home on the 5th Line of Rawdon on Sunday, March 21st. His death was a distinct shock to his many friends. Though not in the best of health, he was not considered to be seriously ill.

A member of St. Andrew's Presbyterian Church, Burnbrae, he was for forty an elder of that church. He was a member of Stirling Lodge, A.F. & A.M., and of Keystone Chapter R.A.M., Stirling. A Masonic service was conducted on Tuesday night, March 23rd, at the Bennett Funeral Home in Campbellford.

Surviving are one son, Gerald, of R.R. 2, Harold; one daughter, Mrs. Roy Hagerman, of Toronto, and four grandchildren. Mrs. Taylor, whose maiden name was Alice Laura Meljohn, died in 1949. A son, Harold, lost his life on active duty with the Royal Canadian Air Force in 1942,

Rylstone

(Mrs. Ellis Jones)
 Word was received here recently of the death of Alma Young, widow of the late Wm. A. Gibson, in a hospital at Midland. Her husband predeceased her several years ago. She came to live at Rylstone after her marriage and she and her husband built and operated the first General Store at Rylstone. She had been a nurse before her marriage. Of a very kind and understanding nature, she will be sadly missed by her one remaining sister, Mrs. Florence Linn, with whom she lived, and her brother, Thos. Young. She had no children. Funeral service was held on Wednesday with temporary interment at Mt. Pleasant Vault in Campbellford.
 Deepest sympathy is extended to Mr. and Mrs. Ralph Heath and family in the death of his father, Vernie Heath, in Belleville Hospital on Wednesday. He was the son of the late Mr. and Mrs. Chas. Heath and was born on the 8th Line of Rawdon, where he lived after his marriage to Nellie Hall. They later moved to Spring Brook and for several years, until his death, resided on the Ridge Road, near Stirling. Besides his wife, he leaves two sons, Ralph, of Rylstone and Clifford, of Stirling, and six grandchildren. An infant daughter predeceased him. A brother, Everett, of Bonarlaw, also survives. Three sisters also predeceased him, Mrs. Chas. Morgan (Mamie), Mrs. Mack Anderson (Alma), and Mrs. Harry Sweet (Irene). He was a member of Grace Chapel, Stirling. The funeral service was conducted

by Mr. W. E. Belch, Belleville, on Friday, under the direction of the Duffin Funeral Home. Entombment was made in Stirling Chapel Vault. Burial will be in Mt. Nebo Cemetery, Spring Brook, in the Spring.

Mrs. Wilfred Spencer, her daughters, Miss Sherry Spencer, Mrs. Clarence Thomson and Mrs. Doug. Doher, Campbellford, and Mrs. Bob Spencer attended a stork shower for Mrs. Gary Lounsbury (nee Patsy Spencer) in Peterborough on Wednesday night.

Mr. and Mrs. Wesley Ray and Mr. and Mrs. Harper Bateman, of Spring Brook, were guests of Mr. and Mrs. Jack Spencer and boys on Wednesday night, on the occasion of the joint birthdays of Mrs. Spencer and her grandmother, Mrs. Ray. Congratulations to both.

Mrs. Ross Anderson, of Hoard's has been visiting Mr. and Mrs. Aaron Anderson for the past week.

Mrs. Lindsay Finch and Mrs. Jack Spencer attended a girls' shower for the bride-to-be, Helene O'Shea, at the home of Mrs. Bob Barnes, Spring Brook, on Friday night.

Mr. and Mrs. Doug. Bedore, and children, of Oshawa, were week end guests of her parents, Mr. and Mrs. Fred Petherick.

Mr. and Mrs. Jack Spencer entertained his parents and other members of his family to a birthday dinner in Jack's honour, on Saturday night. All his family were present except his brother, Fred, in Toronto. All wish Jack many more happy birthdays.

Mr. and Mrs. Aaron Anderson and Mrs. Ross Anderson were Sunday

supper guests of his son and wife, Mr. Lloyd Anderson and family.

Recent callers with Mrs. Essie Reid were Mr. and Mrs. Arthur Reid and Mrs. Rena Bateman, Spring Brook, Mr. and Mrs. Claude Reid, of Harold, Mrs. Ralph Heath, Mr. and Mrs. Walter Watson and Mr. and Mrs. Cliff Anderson, Burnbrae.

Mr. and Mrs. Wilfred Spencer visited her sister, Mrs. Essie Conley, and Mr. and Mrs. Ray Davis, at Glen Miller on Sunday.

Ross Thomson, Ottawa, spent the week end with his brother, Clarence, and other relatives here and visited his brother, Bill, in Civic Hospital, Peterborough.

Mr. and Mrs. Austin Dunk and family motored to Haliburton on Sunday where they visited Mr. and Mrs. Ralph Young and family.

Mr. and Mrs. Bill Morton, Jr., and Ricky, Oakville, and Mr. and Mrs. Doug. Morton and daughters, Stirling, visited their father, Wm. Morton, Sr., and Bob, on Sunday.

Mr. and Mrs. Fred Petherick and Mrs. Minnie Morton were Sunday supper guests of Mr. and Mrs. Roly Jackson and family at Spring Brook.

Mr. and Mrs. Dick Morton, and Reed, were guests of Mr. and Mrs. Ralph Thompson, Helen-Anne, and Larry, at Spring Brook, on Sunday.

Sunday School at Rylstone United Church will re-open on Sunday April 4th, at 10 o'clock Mr. Jack Spencer is again superintendent.

MARCH

March is the time of mud and slush
And sullen snow and lawns of mush
And ditches with brown water flow-
ing.
Mud spattered cars and winds a blow-
ing.
Of pallid sun and blustery gale,
Of snow then rain and even hail.
The time to think of Spring again
But meantime just endure the pain.
Who loves this month of leaden
skies?
I'll tell you who — the little guys.

The March wind whistles rough and
wild.
Excites the blood of every child.
With joyful shouts they rush to play
Akin to nature for the day.
Returning home (I'll take a bet,
Three to one, they're soaking wet.)
With sparkling eye and ice-cold toes,
With wind-burned cheek and runny
nose,
Kubbers caked with sticky dirt,
Sodden pants and ragged shirt.

And every Toused Head will say,
"Boy, I sure had fun today."
For March is the month they hold so
dear.
The very childhood of the year.
And childhood is a fleeting thing,
Thus March matures and turns to
Spring.
The muddy rubbers at the door,
The muddy tracks across the floor
Are truly symbols of your reign.
Welcome March, I'll not complain.
— B. Brookner

More Patients Outside County Use Hospital

More patients from outside Belle-
ville and Hastings county were ad-
mitted to Belleville General Hospital
last year than in 1963.

The annual report of the hospital
shows that in 1964, fourteen per cent
of the total patients admitted were
from outside Belleville and Hastings
county. In 1963 the percentage was
12 per cent.

Last year 49 per cent of hospital
patients were from Belleville and 37
per cent from the county. A year
ago, Belleville residents made up 50
per cent of the total and county resi-
dents 38 per cent.

The total number of patients (ad-

ults and children) admitted to hospi-
tal last year was 9,149 as compared
with 8,923 in 1963.

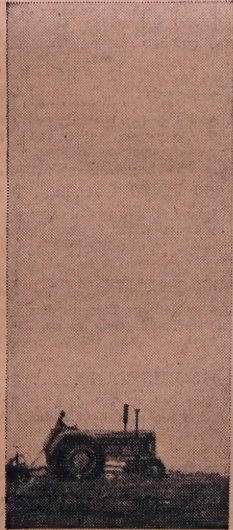

But the number of new-born babies
was a bit lower — 1,436 last year as
compared with 1,497 in 1963.

Bed space at the hospital continued
at a premium with occupancy at
110.81 per cent of rated capacity.
The hospital has a rated capacity of
193 medical-surgery beds, 28 obstet-
rical; 29 pediatric, and nine inten-
sive care for a total of 239.

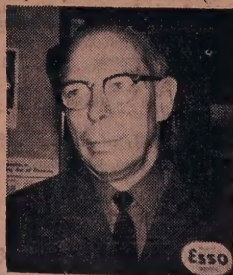

The average length of stay for dis-
charged patients was 11.22 days. At
the year-end there was a list of 279
persons waiting for admission to the
hospital.

OF MANY THINGS

(By Ambrose Hills)

AUTOMATION IS A MUST

It is said that within the next
thirty-odd years the present popula-
tion of the world will be doubled. We
will need twice the food and then
some to feed them. The same goes
for clothing and shelter.

Surely these important require-
ments will not be met unless man
uses all the skills at his command?

To my mind there is something in-
decisive about efforts to stop such pro-
gress. We must have automation in
order to survive.

True, there are problems of dis-
tribution, but they are picayune com-
pared with production problems. In-
stead of so much concern over who
get the biggest share from a small
bowl of stew, our main effort should
be to fill the bowl to overflowing.

Instead, many organized groups
seem to be more interested in pro-
moting scarcity in order to keep
prices high. Some unions have make-
work rules, and there is a great deal
of featherbedding. Some fight
against automation every step of the
way.

If Canadians fail to adopt automa-
tion, then we will have unemploy-
ment with a vengeance! Our pro-
ducts will cost so much more than
those made by new methods. We
must not forget that we compete with
the world as well as sell to it. And
we have a moral obligation to try to
meet the needs of others at prices
they can afford.

The Good Driver

"SPEED" ISN'T
ALWAYS "FAST"

"One sure sign of an amateur driv-
er is his ridiculous and highly danger-
ous antics to try to get ahead of every
other car on the road," said the Cana-

Council is promoting nationally a
summer vacation campaign called
"Slow Down and Live".

hysterical dash in a wreck, usually
involving other people and other
vehicles, or finds himself only one or
two positions ahead of the place he
left in the line of traffic. Either way,
he gains nothing," the Council said.

Speed claimed CHSC, is a variable
thing. In darkness, fog, or heavy
rain, with slippery pavement, 30
miles an hour can be too fast. When
CHSC advises motorists to "Slow

Down and Live", it is not advocating
a crawling speed which, it claims, is
often more dangerous than the legal
limit since it goads others to try to
pass perilously or ruffles tempers to
the danger point. "Use common
sense," the Council advises. "You
are never compelled to drive at the
posted speed limit. On the other
hand, don't dawdle when you can
drive safely at that speed."

Wellman's W.I.

Wellman's W.I. met at the home of Mrs. Gerald Russell on March 17th, with nineteen ladies and seven children present. The president opened the meeting with the Opening Ode, followed by repeating the Lord's Prayer. She welcomed everyone and especially the visitors.

The roll call, "Suggestions for something for us to do for Canada's Centennial" brought a variety of answers. The minutes of the last meeting were read by the Secretary. She also read the correspondence. The president dealt with several items of business.

Mrs. Robert Wallace, Mrs. W. Maybee, Mrs. Fred Beckett and Miss Julie Russell paid to the birthday box. The Pennies for Friendship jar was passed. Current Events were given from the floor due to the absence of the Current Events reporter.

The motto, "Years teach us more than books", was well prepared and given by Mrs. John Carlisle. The topic, "The Founder of the Women's Institute" was prepared and given by Miss Emma Rainie and was very interesting.

The programme was prepared by Mrs. Craig Watson, convenor for Historical Research and Current Events. Mrs. Fred Beckett favoured with a vocal solo, "Galaway Bay". "Rosie O'Grady", as a vocal solo, was contributed by Mrs. Gerald Clancy. Charade on Titles of Irish songs was conducted by Mrs. Craig Watson.

The collection was taken up and the president thanked the hostesses and all taking part in the meeting. She closed the meeting with all repeating the Mary Stewart Collect, followed by singing of The Queen.

The hostess and her assistants served a delightful lunch and all enjoyed a social half hour.

Bethel U.C.W.

Mrs. D. Heath was hostess to the Bethel U.C.W. Thursday afternoon, March 18th. In spite of inclement weather, there were twelve members, four visitors and three children in attendance.

The president opened the meeting with an appropriate poem and a hymn, followed by prayer.

Mrs. E. McKeown had charge of the worship service and explained the origin and meaning of Pentecost. Mrs. H. Heath read the Scripture lesson. Prayers of intercession, meditation and supplication were given by three members, Mrs. W. Heath, Mrs. F. Reid and Mrs. Elliott. Mrs. W. G. Fletcher sang a solo, "Living For Jesus".

The guest speaker for the afternoon was Mr. Lyall MacLachlan, a representative of Agriculture Society for Hastings. He was introduced by Mrs. D. Heath. His subject was based on the four square life, which includes good physical, mental, social and religious qualities. In conclusion, he challenged each to live this four square life. Mrs. Hoover voiced

thanks to the speaker and others responsible for the programme.

The minutes and correspondence were read by Mrs. W. Heath and the increase in allocation was explained by the treasurer. Five quilts were completed in the month of February at the home of Mrs. E. McKeown.

Plans were made for the sale at Hoard's on April 12th.

In the absence of Mrs. W. Kellar, the citizenship convenor, Mrs. Laycock read a paper, "Stand Up and Be Counted". Mrs. M. Cooney played Counted. Two selections on her accordian, "How Great Thou Art" and "This Is My Story". Rev. W. G. Fletcher pronounced the Benediction.

Mrs. Cooney and the hostess served a delicious lunch and a social time was enjoyed.

Letter To Editor

Mr. R. L. Hullin,

Stirling News-Argus,

Stirling, Ontario.

Dear Mr. Hullin:

A short, but nevertheless, sincere note to thank you for your co-operation and assistance to the Ontario Heart Foundation during our 1965 Heart Fund Campaign. The coverage we received from your paper surpassed all expectations, and it is due to this fact that our Heart Fund was successful.

It is that February was Heart Month in Ontario and also what the Ontario Heart Foundation is doing in the field of research.

We have always enjoyed the association with all press representatives and it is a pleasure to look forward to this throughout the year.

Once again, a sincere "heart" felt thanks for your assistance and co-operation during February.

With best wishes,
Yours very truly,
Ontario Heart Foundation

Wooler Pastor Goes To N.Y. In High Post

Rev. T. E. Floyd Honey, of Toronto, secretary of the board of world mission of the United Church of Canada, has been named secretary for mission and service for the New York office of the World Council of Churches, effective July 1st.

Rev. Eugene L. Smith, executive secretary of the World Council's New York office, said Rev. Honey will serve as liaison between mission and service agencies in the United States and the corresponding agencies of the World Council of Churches.

"Dr. Honey will be working at a place of strategic importance within the ecumenical movement," Smith said in announcing Dr. Honey's appointment to the new post. "The relationship between the single 'mission' and 'service' is one of the definitive issues of the World Council of Churches today. His post will be the first in which these two functions are united in the work of the World Council of Churches."

Rev. Honey is a native of Wooler, Ont., 16 miles northwest of Belleville.

The name of the Bay of Fundy is from the Portuguese phrase, Rio Fondon, meaning deep river.

THE BIBLE TODAY

On the occasion of the 50th anniversary of the arrival of Prophet Harris in the Ivory Coast, the Bible Society has published an illustrated leaflet containing the record in Acts chapter 8, concerning Simon the Sorcerer and the Ethiopian Eunuch.

Prophet Harris had an amazing influence on the people. Like the Apostles, he attacked fetish and magic. People who had lived for generations in bondage to their fetish burned them at his word.

Prophet Harris depended completely on his Bible, which he always carried with him; those who met him said that it permeated his talking and thinking. The multitude of churches that grew up and remained for years after his departure always displayed a Bible in the place of honour, although rarely was there at that time anyone able to read it.

The President of the Ivory Coast recently declared that the Prophet played a role of prime importance in freeing the region from the wicked customs of fetishism.

It is hoped that this anniversary edition of 280,000 copies will encourage the people of this region to acquire a complete copy of the Bible and to read the Scriptures.

CONSERVATION NEWS

ON REPLACING DEAD ELMS

1964 has been a hard year on elms in the Bay of Quinte and Kingston regions. The Dutch elm disease has killed many stately trees, and except where effective sanitation measures have been carried out — such as in Kingston proper — the outlook for 1965 is not too good.

Instead of removing dead elms and thus the breeding ground for the Elm Bark Beetle which carries the fungus disease, many farmers and other owners of land, let the diseased or dead trees stand. Thus the beetles will infect many more trees next Spring by spreading the disease from these infected trees.

Much research has been undertaken in Canada and elsewhere to combat the Dutch Elm disease, but so far the results have not been too encouraging. We hear of newly developed chemicals which seem to be effective in fighting the disease, but they and their application are not yet practical for massive treatments. We have to expect that in the near future many more elms will disappear from our landscape.

However, landowners can help in limiting the spread of the Dutch Elm disease by doing the following:

1. Cut down diseased and dead trees.
2. Burn tops and branches.
3. Spray logs with an effective insecticide.

However, even with preventative measures, many elms will disappear and what will remain. Gaps and ugly holes in hedgerows, groves and windbreaks. These gaps are not necessary, however. We can fill them, if not with elms, then with other trees.

Some of these are extremely fast growing, such as the Carolina Poplar, developed in Canada from the Italian Lombardy Poplar and the native as-
